VICE CHANCELLOR'S REPORT

Twelfth Virtual Convocation of Dr. D. Y. Patil Vidyapeeth, Pune

(Deemed to be University)
(Tuesday, 29th June 2021)

Most Esteemed Chief Guest for today's Convocation Ceremony, Prof. Dharendra Pal Singh ji, Hon'ble Chairman, University Grants Commission (UGC), New Delhi; Dr. Jayant Narlikar, Emeritus Professor, The Inter-University Centre for Astronomy and Astrophysics (IUCAA); Prof. Ram Takwale, Chief Mentor, Maharashtra Knowledge Corporation Limited, Knowledge Foundation and Former Vice Chancellor – University of Pune, YCMOU and IGNOU; Dr. P. D. Patil, Hon'ble Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune; Dr. (Mrs.) Bhagyashree P. Patil, Hon'ble Pro-Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune; Members of the Board of Management and Academic Council; Deans of Faculties, Distinguished Guests; the proud Graduands of the day; Faculty members; Admin Staff of the Vidyapeeth; Students; Parents; Members of Press and Media; Ladies and Gentlemen.

I deem it a great privilege and honor to welcome each one of you on behalf of the Vidyapeeth and on my own behalf to this auspicious and solemn occasion of the 12th Convocation of the Dr. D. Y. Patil Vidyapeeth, Pune.

It is a matter of great honour, that Prof. Dharendra Pal Singh ji, has graciously accepted our invitation to be the Chief Guest on this occasion, in spite of his, other significant commitments and priorities. He is a visionary leader and educationist with great ideas and an innovative approach, an able administrator who believes in attaining results. Prof. D. P. Singh has contributed substantially in

the fields of environmental science, vocational education and value education through various academic assignments including several publications in different forms. He has significant exposure to International programmes and experience of handling International projects. He is widely travelled and has visited many countries for academic pursuits. Prof. D. P. Singh has contributed to a great extent in other higher education assignments and management of institutions. He has served as Member of General Body of the Indian Council of Cultural Relations (ICCR); and Governing Council of Association of Indian Universities (AIU). Prof. Singh has acted as member of several national committees constituted by MHRD for reshaping the future higher education scenario in India. He has contributed as Member, Indian National Commission for Cooperation with UNESCO at MHRD. Prof. Singh has been Chairman / Convener / Member of Search-cum-Selection Committees constituted for appointment of Vice-Chancellors of a few Central and State Universities. Prof. D. P. Singh has been bestowed with several honours and awards. I am sure that his Convocation Address, will inspire one and all especially our bright young graduates. Sir, we look forward to your guidance and blessings on this auspicious occasion.

At the outset, I wholeheartedly congratulate all the Graduands who have successfully completed their education at this temple of learning and have become eligible to receive the Degrees of the Vidyapeeth on this wonderful day. Today a total

of 1577 degrees with 679 undergraduate students, 874 postgraduate students, 10 diploma students and 14 Ph.D. fellows are being awarded for having completed their studies and passed the examinations during this period. Gold Medals are being bestowed upon 22 candidates who have secured highest marks in their respective disciplines.

We feel greatly honored to inform that Honoris Causa degrees, will be conferred upon Dr. Jayant Narlikar and Prof. Ram Takwale. DPU has recognized these two icons, for their significant contributions, towards development of vibrant India. The invaluable contributions, of these two eminent personalities have made them worthy of their reputation and in fact they have honored this Vidyapeeth and the society at large by accepting the Honoris Causa degrees today.

Let me share some of the recent achievements and persistent developments that have been crossed by Dr. D. Y. Patil Vidyapeeth, Pune since the last convocation held on 28th June 2020.

- Under National Institutional Ranking Framework (NIRF) 2020, conducted by Ministry of Human Resource Development (MHRD), New Delhi, the Dr. D. Y. Patil Vidyapeeth, Pune has achieved rank as 3rd in Dental Category, 24th in Medical Category, 46th in University Category and 75th in Overall Category in India.
- Recently, DPU has received “One District One Green Champion” 2021-22 Award for Swachhata Action Plan conducted by Mahatma Gandhi National Council of Rural Education under the Department of Higher Education, Ministry of Education, Government of India.
- Dr. D. Y. Patil Medical College, Pune has been recognized as a Regional Centre for conducting revised Basic Course Workshop exclusively for PG teachers (BCW-PG) in stand-alone PG Institutions by National Medical Commission, New Delhi on 11th February 2021.
- Dr. D. Y. Patil Medical College, Pune has received “Environment Friendly Operation Theatre Award” with platinum grade score 98.6% by Bureau Veritas in January 2021.
- Dr. D. Y. Patil Medical College, Pune has received Certificate of Excellence for being recognized as “25th Must-Watch Medical Colleges in India” by Higher Education Digest in October 2020.
- Dr. D. Y. Patil Medical College, Hospital and Research Centre and Dr. D. Y. Patil Dental College & Hospital has been accredited by National Accreditation Board for Hospitals & Healthcare Providers (NABH) in 2021 and Molecular Diagnostic Laboratory has been accredited by National Accreditation Board for Testing and Calibration Laboratories (NABL) in 2020.
- The Journal of Medical College “Medical Journal of Dr. D. Y. Patil Vidyapeeth” has been indexed in SCOPUS and UGC-CARE. Also, Journal of Dental College “Journal of Dental Research and Review” has been indexed in UGC-CARE.
- Dr. D. Y. Patil Biotechnology and Bioinformatics Institute received National Educational Excellence Award 2020 and “Top Biotechnology & Bioinformatics Institute / College of the Year 2020” India Award under “Quality Education & Innovative Teaching Approach” Category for the year 2020. It also

received the title of “50 Most Promising Educational Institutes of India 2020” The award was given by National Educational Excellence Awards and Conference 2020.

- Global Business School & Research Centre has received a National Education Excellence Award 2021 in the category of ‘Most Promising Academics amongst Management Institutes from Maharashtra’ at New Delhi on 10th April 2021.
- DYP Physio Alum- Alumni Association of Dr. D.Y. Patil College Physiotherapy, an IQAC initiative had organised 125 Webinar series by alumni which was declared in “Assist World Record” by Assist World Record Research Foundation on 3rd Dec. 2020.

Ours is a young but a very vibrant university with “academic culture” that promotes merit, values and academic freedom. As a nation of 1.3 billion, today more than 2/3rds are in the age group of 15-64 years, which will gradually shift to become a much younger India in the next 30 years, creating a very important human resource asset. The challenge, therefore, is to empower this young India to enable them to contribute not only for the development of the national economy but also the entire world. Our courses and programmes have been redesigned to meet the growing needs of specializations, to facilitate mobility between programmes and courses, to update and modernize curricula and to encourage the introduction of reforms in the evaluation procedure. We envisage creating an academic environment of international standards in healthcare education, under the guidance and support of our Hon’ble Chancellor Dr. P. D. Patil. He has been very generous with his time and counsel and we are indeed very grateful to him for his dynamic leadership to our University.

RESEARCH :

University can grow successfully only when teaching and research get together symbiotically as they have no independent existence. We have created a conducive environment to undertake collaborative research projects combining teaching-learning and research, to nurture originality, creativity and novelty. I feel proud to state here that this year DPU published more than 800 papers in International and National journals of repute, which are indexed in Scopus, Pub Med, Web of Science and UGC approved journals. There has been a significant rise in h-index from 45 to 51, indicating translational value and higher citations received by individual publication. Total number of 7,854 citations have been received in the year 2020. The highest impact factor among the publications during the year under report was 60.392 (The Lancet), 42.778 (Nature), 21.597 (Lancet Global Health). Publishing papers is only one part of research, however, filing patents and writing books, chapters, editing books, forms yet another aspect. I am also proud to state that this year DPU has filed 24 patents and 16 Copyrights.

Research is impossible without funding. DPU has always been supporting research activities and has provided seed money of more than 73 Lakhs during the year. In addition, this year university has received a total extramural grant of more than 115 Lakhs from Department of Biotechnology (DBT), Department of Science & Technology (DST), ICMR and foreign agencies like National Institute of Health, USA and Harvard Medical School Centre for Global Health Delivery, Dubai.

INTERNATIONAL RESEARCH

COLLABORATIONS:

In keeping with our motto of ‘Breaking Boundaries –Finding Frontiers’ and one of our missions, namely, partnerships with organizations with congruent ideals, we have signed MoUs and

collaborative agreements with many institutions worldwide. The International linkages of DPU have helped it in drawing upon the wisdom built up at the partner institutions of repute.

Linnaeus-Palme exchange program between DPU and University of Skövde, has been funded by the Swedish Council of Higher Education, under which two students are selected with full tuition fee waiver with all costs covered for completion of six-month project work at University of Skövde, from 5th February 2021 to 4th July 2021. A 10-week online course for virtual mobility in Molecular Modeling is offered by University of Skövde, Sweden in which teachers from Institute of Biotechnology and Bioinformatics are participating in the teaching of this course. Two students from Institute of Biotechnology and Bioinformatics were selected with full tuition fee waiver. The Department of Global Health Education, Johns Hopkins University, USA has been sending their students in batches to our medical and nursing institutes, to provide them global health training at DPU, by fostering a collaborative learning environment under their Global Health leadership programme. Department of Medicine holds video conferences regularly once a month on 'Global Grand round in infections' with Johns Hopkins University.

FACULTY / STUDENTS PARTICIPATING IN INTERNATIONAL CONFERENCES:

About 162 faculty members and students participated in Virtual International and National Conferences (during the COVID-19 Pandemic) and presented papers and posters at various conferences last year.

CONFERENCES, SEMINARS, WORKSHOPS ORGANIZED AT DPU:

From last convocation, DPU has organized about 128 Conferences / Seminars / Workshops / CMEs

/ Webinars / Faculty Development programmes on virtual platform due to COVID-19 Pandemic for faculty and students.

OUTSTANDING FACULTY:

We are extremely proud of our excellent faculty. They are really an asset to this institution and always update their knowledge and skills to help shape our students as an infinite reservoir of potential talent. I am sure that these students, faculty, staff and the alumni would work collectively towards building this educational institution as a 'World Class University'. These reputed faculty members were invited to deliver keynote lectures or to chair the technical sessions at various conferences/ workshops and received national / international awards and also to participate as chairpersons / members of various national committees. About 184 faculty members received the national / international awards and recognitions and also were invited as Resource Persons / Panelists / Judges for various International and National conferences.

STUDENTS' ACHIEVEMENTS:

The innovative concept of making learning as a more fun- oriented and interactive activity, boosts up the insight of students as they learn faster and open up to more ideas, making it easier for teachers to identify and distinguish the overall understanding of the subject by the students. I cannot exhaustively list all the laurels earned by you, my dear DPU students, but it is my hope and dream that these are various steps, to bigger achievements that await you in your life. We have implemented innovative concept of making learning more effective and interesting by introducing concepts like experimental, integrated / interdisciplinary, participatory, problem-solving, self-directed, patient centric, evidence based, project based and role play methods, to the

students to enable them to acquire overall understanding of the subject. DPU students have actively participated in the various national / international conferences and presented papers or posters and also participated in inter-collegiate sports competitions as the result of which 64 students have won the prizes from the last convocation.

VALUE ADDITION BY RENOWNED VISITORS:

As in the past, this year too we had a galaxy of top dignitaries, such as scientists, academicians from India & abroad who made us richer by sharing their invaluable experiences which were inspirational to one and all.

SOCIAL OUTREACH:

The hospital is declared as “Baby Friendly Hospital” by Breastfeeding Promotion Network of India. Diet and medicines are provided free of cost for IPD patients. The facilities for angiography, angioplasty and cardiovascular surgery, 4th Generation Da Vinci xi Robotic surgery, two CT Scan machines, two MRI scanners (including 3Tesla), Digital X-ray Machines, digital Mammography, Colour Doppler, USG, 24X7 Clinical Laboratory with latest analyzers, Pharmacy, Blood Bank and Human Milk Bank are in place. Eighteen modular OT’s of global standard, twenty-five dialysis units and two Cath-Labs are available. Medical tourism has been started and super-speciality services are available with latest global standards. The Hospital has performed 89 Renal Transplants, 19 Liver Transplants and 25 Corneal Transplants.

Dr. D. Y. Patil Medical College, Hospital & Research Centre, Pimpri, Pune has executed an MOU with Pimpri Chinchwad Municipal Corporation's Post Graduate Institute Yashwantrao Chavan Memorial Hospital, Pimpri,

Pune for providing services and facilities of the Medical and Ayurved hospital for treating Covid and non-covid patients.

We have organized screening and counselling camps for migrants and construction workers at Dr. D. Y. Patil Medical College, Hospital & Research Centre, Pimpri, Pune. More than 7500 migrants and construction workers have been screened and counselled by Department of Psychiatry and Community Medicine. Also, we have conducted 43 blood donation camps and collected 1364 blood units.

Dr. D. Y. Patil Dental College offers dental checkup and treatment at its all four satellite centres, where 2076 patients have been enrolled at Alandi Centre 212 patients at Ayurveda College and 1501 patient at Savitribai Phule Pune University Centre have been enrolled last year. 1002 patients got benefitted as also 4795 patients have been enrolled in the Department which makes a total of 9586 patients benefitted by the department along with its centres and mobile dental clinic.

All the patients reporting to the OPD with any tobacco related habit are enrolled for free of cost behavioral counseling at tobacco cessation clinic. Last year 1909 patients got enrolled, follow up of which is managed through telephonic and personal interactions by a dedicated counselor, who maintains the records of each patient.

Ayurved College and Hospital is also functioning as Dedicated COVID-19 Centre with 272 beds. It is also approved as COVID-19 Vaccination Centre. College has distributed herbal sanitizers, herbal hand wash, Dhoopan dravya (for fumigation) and Immune booster ayurvedic poly-herbal decoction for preventive purpose. Sudhatatva Pharmacy of Rasashastra Department

is GMP and FDA certified and preparing 222 ayurvedic formulations. Paralysis Ayurved Treatment Centre inaugurated on 29th September 2020.

Dr. D. Y. Patil Homoeopathic Medical College had organized mass drive of distribution Arsenicum Album 30C as homoeopathic prophylactic medicine for COVID-19 and this was undertaken by the college as a part of its social responsibility. More than 3000 policemen of PCMC as well as citizens were distributed Arsenicum Album 30C free of cost during the COVID-19 pandemic. College also participated actively in the Public Health Response to COVID-19: Campaign for COVID-Appropriate Behavior organized by the Central Council of Homoeopathy, New Delhi as a part of the Jan Andolan against COVID-19 launched by Hon'ble Prime Minister Shri Narendra Modi.

Nursing students participated in National Pulse Polio Immunization Programme under which students gave Polio Doses and visited homes in PCMC area of Pune.

Physiotherapy College has organized various camps, blood donation drive, organ donation awareness drive, National Health Day Celebration, awareness program on COVID-19.

Biotechnology and Bioinformatics Institute was recognized by the Social Entrepreneurship, Swachhta and Rural Engagement Cell (SES REC) for its efforts on social transformation through entrepreneurship. Also, as an initiative towards Social outreach for Adopted Village "Nere", Biotechnology and Bioinformatics Institute organized Food distribution and COVID-19 Awareness AICTE recognized the efforts of Biotechnology and Bioinformatics Institute in the massive Tree Plantation Drive and awarded a certificate of appreciation to the institute.

Global Business School & Research Centre in Association with BOSCH, Bangalore has conducted a 'Mask Distribution Drive' at Grampanchayat Jambhe Village on 7th April 2021. One thousand face masks were distributed through the Sarpanch of the Village.

INFRASTRUCTURE:

DPU has always endeavored to deliver quality education in a globally benchmarked learning environment through modern amphitheatrestyled air-conditioned classrooms, hi-tech labs and libraries. Not only has the physical infrastructure been extensively modernized, the facilities and equipment have improved at a faster pace. We have installed 3 Tesla MRI system: MAGNETOM Vida with biomatrix technology, which is the first installation of its kind in any Asian country and will provide data quality comprehensive image as a robust, standardized reproducible image data of patients. We have also installed Robotic Surgery System of Da Vinci Xi, which is the 4th generation frontier for the minimally invasive surgeries of the modern century.

The DPU Advanced State-of-the-Art IVF and Endoscopy Centre was inaugurated at the auspicious hands of Hon'ble Dr. Bhagyashree P. Patil, Pro-Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune on 16th February 2021. Also, Department of Cardiac Anaesthesia is started in December 2020.

Global Business School & Research Centre has developed Smart classroom for the students. In the era of digital learning smart classroom is well equipped with specialized software, assistive listening devices and audio/visual capabilities.

Before I close, I would like my faculty and staff to join me in congratulating all our students, who will be graduating today from DPU. To all those graduating today, I hope you were able to get the most of what DPU had to offer, and that you will

use your knowledge and experience fruitfully to serve the people of this country and those elsewhere. Set your goals higher and the glory will belong to you. Success has only one amazing formula, stop thinking in terms of limitations and start thinking in terms of possibilities.

I wish you all the very best in your lives, both professional and personal and as you move forward in your life, do reflect upon the many contributions that your family, your teachers, and

your communities have made to your lives. Do remain connected with your Alma Mater and visit us whenever, you yearn to revive some of your fine moments. I urge you to remain worthy ambassadors and great Alumni of this distinguished Vidyapeeth by upholding the virtues of honor and excellence in service to the society around you and beyond.

Jai Hind.

CITATION

Presented to

Dr. Jayant V. Narlikar
at the 12th Convocation held on 29th June, 2021

It is our great privilege to honour Dr. Jayant Vishnu Narlikar, the Indian Astrophysicist and an Emeritus Professor at the Inter-University Centre for Astronomy and Astrophysics (IUCAA). The renowned Astrophysicist is known for developing the conformal gravity theory with Sir Fred Hoyle, also known as–Hoyle Narlikar theory. The theory's synthesis is Albert Einstein's theory of relativity and Mach's principle. It proposes that the inertial mass of a particle is the function of the masses of all other particles, multiplied by a coupling constant, which is a function of the cosmic epoch.

As for his early life, education and career, Dr. Narlikar was born on July 19th, 1938, in a highly educated and cultured family in Kolhapur, Maharashtra. His educational sojourn began on the campus of Banaras Hindu University (BHU), where his father Vishnu Vasudeva Narlikar was Professor and Head of the Mathematics Department, and his mother Sumati Narlikar was a Sanskrit scholar. After a brilliant career in school and college, Narlikar got his B.Sc. degree in 1957. He went to Cambridge for pursuing his higher studies and secured the Wrangler and Tyson Medal in the Mathematical Tripos. He got his Cambridge degrees in Mathematics: B. A. (1960), Ph.D. (1963), M. A. (1964) and Sc.D. (1976), but did his specialization in astronomy and astrophysics. He distinguished himself at Cambridge with the Smith's Prize in 1962 and the Adams Prize in 1967. He later stayed on at Cambridge till 1972, as a Fellow of King's College (1963-72) and Founder Staff Member of the Institute of Theoretical Astronomy (1966-72). During this period he laid the foundations of his research work in cosmology and astrophysics in collaboration with his mentor Fred Hoyle.

Dr. Narlikar returned to India to join the Tata Institute of Fundamental Research (1972-1989), where under his charge the Theoretical Astrophysics Group acquired international standing. In 1988 he was invited by the University Grants Commission as Founder Director to set up the proposed Inter-University Centre for Astronomy and Astrophysics (IUCAA). He retired from this position in 2003. Under his able guidance, IUCAA has acquired a worldwide reputation as a centre for excellence in teaching and research in astronomy and astrophysics.

Dr. Narlikar has been internationally acclaimed for his work in cosmology, in championing models alternative to the popularly believed big bang model. He was President of the Cosmology Commission of the International Astronomical Union from 1994 to 1997. His work has been on the frontiers of gravity and Mach's Principle, quantum cosmology and action at distance physics.

Throughout his distinguished career, Dr. Narlikar has received several national and international awards and honorary doctorates. He is a Bhatnagar awardee, as well as recipient of the M. P. Birla award, the Prix Janssen of the French Astronomical Society and an Associate of the Royal Astronomical Society of London. He is a Fellow of the three national science academies as well as of the Third World Academy of Sciences. Apart from his scientific research, Narlikar has been well known as a science communicator through his books, articles and radio /TV.

For these efforts, he was honoured by UNESCO in 1996 with the Kalinga Award.

Dr. Narlikar broke new grounds in space research when during 1999-2003 he headed an international team in a pioneering experiment designed to sample air for microorganisms in the atmosphere at heights of up to 41 km. Bio logical studies of the samples collected led to the findings of live cells and bacteria, thus opening out the intriguing possibility that the Earth s being bombarded by microorganisms some of which might have seeded life itself here.

For his immense contributions, Dr. Narlikar was honoured with Padmabhushan in 1965, Padmavibhushan in 2004. Today, for Dr. Jayant V. Narlikar's lifelong devotion and deep commitment to the field of Astronomy and Astrophysics, Dr. D. Y. Patil Vidyapeeth, Pune is proud to confer the degree of Doctor of Science (Honoris Causa) on this day 29th June 2021.

Dr. P. D. Patil
Chancellor
Dr. D. Y. Patil Vidyapeeth, Pune

Speech of Acceptance by
Dr. Jayant V. Narlikar
Reply to the Conferment of Honorary Degree of Science
by the Dr. D. Y. Patil Vidyapeeth, Pune

Distinguish people on the dais,

Ladies and Gentlemen and new Graduants

I have two alma matters Banaras Hindu University i.e. BHU and Cambridge University. A few years ago, BHU celebrated its century, while even earlier Cambridge had celebrated its eight hundredth anniversary. Compared to this the DPU is around 16 and celebrating today its 12th Convocation. As they say in Sanskrit प्राप्ते तु षोडशे वर्षे पुत्रं मित्रवदाचरेत्~ when the child reaches 16 years of age, it should be treated as an adult friend. DPU is entering in that phase now and is already showing its marks of excellence. I wish it a distinguish future and many academic successes and I wish today's young graduates at DPU a happy career that will bring good name to their alma matter. Last but not the least, I am proud and delighted that the honour that has been bestowed on me.

Thank you very much.

DPU

Dr. D. Y. Patil Vidyapeeth

Pune (India)

(Deemed to be University)

(under Section 3 of the UGC Act, 1956)

*We, the Chancellor, the Pro-Chancellor, the Vice-Chancellor,
the Members of the Board of Management and the Academic Council,
have great pleasure in conferring the degree of*

Doctor of Science (Honoris Causa)

on

Prof. Ram Takwale

for his contributions towards the education and its extension to empower people and development
of extension education in Open University system

*at the Twelfth Convocation of the Dr. D. Y. Patil Vidyapeeth, Pune
held on Twenty Ninth day of the month of June
in the Year Two Thousand and Twenty One, at Pune.*

*In Testimony whereof are the seal of the
University and the signatures of the Chancellor and the Vice-Chancellor.*

Pawar

Vice Chancellor

D.Y.

Chancellor

Dr. D. Y. Patil Vidyapeeth, Pune
(Deemed to be University)
CITATION
Presented to

Prof. Ram G. Takwale
at the 12th Convocation held on 29th June, 2021

It is our proud privilege to honour Professor Ram Takwale, Emeritus Professor in the University of Pune and Yashwantrao Chavan Maharashtra Open University, Nashik; Chief Mentor MKCL Knowledge Foundation, Founder Director Maharashtra Knowledge Corporation Limited (MKCL) and President, Indian Consortium for Educational Transformation. (I- CONSENT).

Professor Takwale was born on 11th April 1933 at Hargude village located in Saswad Taluka, Pune. As for his educational odyssey, he passed his matriculation examination from the prestigious Nutan Marathi Vidyalaya in Pune, Graduation from Fergusson College and his Masters from the University of Pune. He completed his Ph.D. degree from the Moscow State University.

As for his career, for over two decades, Professor Takwale taught physics and had been a research guide at the University of Pune. He was the Vice-Chancellor of three Universities: Pune University, Pune (1978-84), founder Vice-Chancellor of Yashwantrao Chavan Maharashtra Open University, Nashik (1989-95) and Indira Gandhi National Open University, New Delhi (1995-98).

Professor Takwale has been associated with many national and international organizations. He was the President of the Association of Indian Universities (1994), President of Asian Association of Open Universities (1995-98), Founder Member and the President of the Maharashtra Academy of Sciences (1994-95). He is also closely associated with the Commonwealth of Learning, Vancouver, Canada, and was a member of the COL Review Committee and Regional Advisor (South Asia) to the President of COL. He was Director Indian Institute of Education (IIE) Pune. He was also associated in various capacities with the Association of Commonwealth Universities, International Council for Distance Education and many committees and bodies at the national and international level. Professor Takwale is also heading a high powered committee on Sub-Division and Re-Organization of Universities in Maharashtra.

One of Dr. Takwale's life-long concerns has been to extend education to empower people, particularly in the scenario of diversity, disparity, deprivation, and large numbers. He is currently associated with the development of programs of school and teacher education in always-connected the environment created by the internet. His current interest is to evolve a model of new education with development-centric creation of value and wealth through cooperative and collaborative working and learning. For this purpose, he is trying to develop the cyber-real structure of educational organization and management, called Param University and Param School, along with the Third Model of Development. The object is to radically reconstruct the current education system and make it suitable for the socio-economic transformation required in the 21st century connected world.

Professor Takwale has been conferred with many national and international awards/honors. He has been bestowed with three honorary Doctorate degrees (UKOU and two Indian Universities); Meritorious Service award by AAOU, UGC's Pranawanand Saraswati Award, Chaturang Puraskar for Education to name a few.

In recognition for his exemplary commitment to the field of education, Dr. D. Y. Patil Vidyapeeth, Pune is proud to confer the Degree of **Doctor of Science (Honoris Causa)** on **Prof. Ram G. Takwale** on this day, 29th June 2021.

Dr. P. D. Patil
Chancellor
Dr. D. Y. Patil Vidyapeeth, Pune

Speech of Acceptance by
Prof. Ram G. Takwale

Reply to the Conferment of Honorary Degree of Science
by the Dr. D. Y. Patil Vidyapeeth, Pune

Honourable Chancellor, Pro-Chancellor, and Vice-Chancellor; and Chief Guest Prof. Dharendra Pal Singh and Members of the University Authorities, Students, Teachers and others.

I am thankful to all the Officers and Authorities of the Dr. D. Y. Patil Vidyapeeth, Pune for conferring Honorary Degree in Science on me. It is a great pleasure and honour to me, to receive this honour along with Professor Jayant Naralikar, renowned mathematician, scientist, rationalist and humanist, and widely recognised author of scientific books. I have heard about Dr. D. Y. Patil Vidyapeeth, Pune: Starting from a Medical College, it has become a Medical University. It has risen in quality and is getting national recognition. I wish this University to grow and rise to the highest level of globality by becoming a **unique and uncommon institution**.

Friends, each one of us is unique and different. We live not alone but collectively, by forming a small family, or a big group or pariwar we form our community. We can acquire our unique and uncommon nature through our well-directed academic activities, along with an urge to serve society well. We are living in a coved pandemic situation. We are forced to remain at home, and live and work from home. This situation is likely to continue for some more time. We are therefore forced to use digital technology quite frequently. Our processes of living, working and interacting with others have radically changed. We are now entering into a new digital society. The new age is an outcome of using digital technologies and tools. They are creating Artificial Intelligence (AI) or AI based new Digital Industrial Age. Our living, working and creating processes are being acquired by us, are quite new. They are replacing the old processes of the old age based on auto machines.

The new digital technologies are creating new tools and gadgets of the new age. Within a decade we will have for our daily use advanced robots, smart things, and drones in our daily life and work. These new machines are the outcomes of application of scientific causality and rationality. As is our experience of the last machine age, of auto machine, human muscle power was no match to machine power. Same is going to happen in new age. Human scientific intelligence will never match with that of advanced robots. Humans have to find out for its different nature, and a way to assert human identity and superiority over the AI based machines.

Humans are different and superior in having a mind, which works with our body action. Mind imparts that uncertainty which makes difficult to predict human action. Humans are now having will, imagination and creativity that cannot be easily imparted to the intelligent machine. For this purpose, we need to have a model of education that links education with social development; and the development with values, wealth with creativity. The goal of the New Education should be to find unique and different nature in

each group and organization. It should not only show the path of life along with progress and modernity, but also help us to find one's own unique and uncommon nature.

Friends I am sure the **challenges of the AI based New Age** will be many. We have to face them and help create Future, with self-identity along with its **unique and uncommon nature**.

I wish you all the best success in finding **life path with lifelong learning in the new AI Age**.

Thank you All.

Dr. P. D. Patil
Chancellor

Address by
Dr. P. D. Patil
Chancellor

Good afternoon,

Dignitaries on the dais and virtual dais,

Hon'ble Prof. Dr. D. P. Singh, Chairman, University Grants Commission, New Delhi, Hon'ble Dr. Ram Takwale Sir, Hon'ble Padma-Vibhushan Dr. Jayant Narlikar Sir, Dr. Mrs. Bhagyashree Patil - Pro Chancellor and Co founder of Dr. D. Y. Patil Vidyapeeth, Pune, Prof. Dr. N. J. Pawar - Vice Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune, Dr. A. N. Suryakar - Registrar, Shri. M. S. Phirange Controller of Examinations, Dr. D. Y. Patil Vidyapeeth, Pune, Dr. Somnath Patil - Secretary, Dr. D. Y. Patil Vidyapeeth Society, Pune, Dr. Smita Jadhav - Trustee and Director, Dr. Yashraj Patil - Trustee and Director, Dr. D. Y. Patil Vidyapeeth Society, Pune. Esteemed members of the faculty, Staff of the DPU, Dear graduating students, their proud parents, Press and Media, ladies and gentlemen...

I am delighted to join you today on the occasion of the 12th virtual Convocation ceremony of DPU, it is an honour and privilege for me to warm welcome to you all.

I congratulate all the students who have received degrees and honours today. This is truly a defining moment for all of you.

August Audience...

This has been a year same like 2020. 2nd year of fire-fighting to face the global pandemic and to continue teaching and administration under new and challenging circumstances.

I would like to begin by taking a moment to acknowledge the huge debt of gratitude the DPU owes to you, and to all of its staff.

During the period of Covid Pandemic, all the Doctors, Nurses and all supporting staff of Dr. D.Y. Patil Medical College and Hospital have sacrifice their own health and serve the Covid patients. You will be blessed with thousands of patients who have been cured. I salute you all.

It is a matter of great pleasure for me to present some accomplishments of Dr. D. Y. Patil Vidyapeeth in the educational excellence and academic contribution of the nation in a span of two decades.

From a humble beginning with one unit, that is - Dr. D. Y. Patil Medical College, Hospital and Research Centre; DPU over the last 16 years has grown steadily with addition of eight more constituent units under its ambit. With these 9 units Dr. D. Y. Patil Vidyapeeth, Pune has distinguished itself by creating the brand name DPU offering professional education in Medicine, Dentistry, Nursing, Physiotherapy, Optometry, Biotechnology, Management, Ayurveda and Homeopathy.

DPU has been accredited by NAAC, twice awarding “A” grade with CGPA of 3.62 in 2nd cycle followed by “Category-1 Deemed to be University” status by UGC. The Vidyapeeth has also been placed at 3rd rank in Dental, 24th in Medical, 46th in University and 75th position in overall category in the National Institutional Ranking Framework (NIRF) 2020 by then Ministry of Human Resource Development (MHRD) Government of India.

I congratulate and extend my best wishes to our administrative leaders and competent faculty who contribute the most to the endeavour. These rankings are a recognition to the sheer quality of the work you do - in research, in teaching and in the many forms of hard work.

Hon’ble Padmashree Dr. D. Y. Patil, the Founder of this educational complex is the visionary whose guidance and encouragement has enabled us to acquire the status of an Institution at National and International level.

Ladies and Gentlemen...

Today the gracious presence of Prof. D. P Singh Sir, Chairman, UGC. He has added more glory to this occasion.

Hon’ble Sir has about 34 years of professional experience in different aspects of educational planning and administration, institution building, teaching and training, research and development, international cooperation.

Prof. Singh Sir has provided leadership as the Vice Chancellor of three universities - Banaras Hindu University, Varanasi; Dr. Hari Singh Gour University, Sagar; and Devi Ahilya University, Indore for developing conducive learning environment, enhancing academic and administrative efficiency, fostering excellence in research, encouraging global facilitation of higher education, developing an eco-friendly campus, strengthening student support promoting value-based conduct and governance.

As the Vice-Chancellor of BHU Prof. D. P. Singh Sir contributed immensely to its overall development. The BHU was ranked number one among Indian Universities in India Today - Nielson Survey. Prof. Singh has served as Vice-Chancellor of Dr. Hari Singh Gour University, Sagar, the oldest University of Madhya Pradesh. During his tenure both Universities was accredited with "A" grade by the NAAC.

Last year I watched an interview with him on TV. The interview was in Hindi.

उस मुलाकात में प्रो. सिंग सर से पूछा गया था की, “आप के व्हाइस चान्सलर के कार्यकाल में BHU देश की नंबर वन युनिवर्सिटी बनी, अहिल्या देवी युनिवर्सिटी और हरिसिंग गौर युनिवर्सिटी को नैक की "A" grade मिली. ऐसा क्या फॉर्म्युला है की जहाँ आप गये वह युनिवर्सिटी बेहतर बन गयी?

प्रो. सिंग सर ने इस सवाल का बेहतरीन जवाब दिया था... वह आज भी मुझे याद है. जवाब में उन्होंने कहा था की, नियत अच्छी होनी चाहिए, आप जहाँ काम करते हो उस संस्था के साथ आप का कमिटमेंट अच्छा होना चाहिए, संस्था के प्रगती के साथ खुद को इमानदारी से जोड़ते रहना चाहिए, टीम वर्क अच्छा चाहिए. सभी का सहयोग ले कर ही आप आगे बढ़ेंगे. व्हाइस चान्सलर हेड होता है, उसकी इंटेग्रिटी, ऑनैस्टी इस का भी महत्व होता है. जो हम कहते हैं वो अगर करेंगे तो लोग साथ देते हैं.

Prof. Singh Sir, I would say; In the answer you have explained the whole summary and formula for success. Great. Thank you very much.

Respected Sir, your presence has taken today's ceremony to new heights. Thank you very much.

Ladies and Gentlemen...

Two great personalities today conferred with Honorary Doctorate, Doctor of Science (D. Science) Honoris Causa by Dr. D. Y. Patil Vidyapeeth, Honorable Dr. Ram Takwale Sir and Padma Vibhushan Dr. Jayant Narlikar Sir.

Padma-Vibhushan Dr. Jayant Narlikar Sir needs no introduction. He is one of those very few scientists in India who have contributed to the field of Astrophysics throughout the life. If one needs to name the 'पितामह भीष्म' of Astrophysics for the today's India, there is only one name, and he is none other than Dr. Narlikar Sir.

After a brilliant career in school and college, Narlikar Sir got his B.Sc. degree at BHU in 1957. He went to Cambridge for higher studies. During his 15 years stay abroad Dr. Narlikar made many important researches. At Cambridge University, Sir Dr. Fred Hoyle - and Dr. Narlikar presented a new theory of gravitation to the Royal Society of London on 11th June 1964. Dr. Narlikar is one of the few cosmologists in the world to disagree with the Big Bang theory. He said that passivity is not just a fundamental property of matter but has to do with cosmology.

From 1972 to 89, Dr. Narlikar was at the Tata Institute of Fundamental Research in Mumbai. He moved to Pune in 1989 to take charge of the IUCAA. At the IUCAA - Astronomy Research Institute, he invited many world-renowned scientists to interact with researchers and the community. Due to IUCAA and Narlikar Sir, our Pune became famous internationally in the field of science.

Dr. Narlikar Sir had decorated Padma-Bhushan in 1965, at the young age of only 26. In 2004 he was awarded Padma-Vibhushan.

We Pray to the God to give him good health and long life, so that he may continue to serve the world of science and the country.

Dr. Ram Takwale Sir is a former Vice Chancellor of the University of Pune from 1978 to 1984. At the age of 45, he became the youngest Vice-Chancellor of India. During his tenure as Vice-Chancellor, Pune University was among the top five Universities in the country. Dr. Takwale is a founder Vice Chancellor of Yashwantrao Chavan Maharashtra Open University - YCMOU, Nasik (1989 to 1995), and Vice-Chancellor of Indira Gandhi National Open University, New Delhi.

Dr. Takwale Sir evolved distinctive model of a state open university, YCMOU, which won an award of excellence from the Commonwealth of Learning in 2003 for its innovative delivery systems. One of his life-long concern is to extend education to empower common people, particularly in the scenario of diversity, disparity, deprivation, and large numbers, and in the scenario of Digital Age Society.

Even at the age of 88, he is still engaged in research in the field of education. My best wishes to him for a happy and healthy life.

' जीवेत शरदः शतम् '

My dear Students...

Graduation is such an important milestone for graduands and their families, and I congratulate you all on your achievement. The completion of your degree is a great personal accomplishment, and is also a milestone shared by parents, siblings and friends who contributed to your success. Dr. D.Y. Patil University is also proud of your achievement and wish you well in your chosen career as you leave DPU as one of our valued ambassadors.

As you enter the job market, it is important that you chart your own path, a unique path. The workplace has experienced a significant shift in the last more than a year. A significant shift has not been experienced in about hundred years.

We were adapted to the daily commute to our workplaces and that has been dismantled. We were working behind a desk, in a specific location, now you can work from anywhere.

Multinationals across the world have been forced to adapt and introduce new policies that respond to our current situation. And you have to start thinking differently to adapt to that shift which is a gamechanger and will most likely remain that way for a very long time.

Millions of jobs have become outdated, but millions of jobs and opportunities have been created as a result of the pandemic. Disruption is an enabler, take this opportunity and create the next global disruptor.

I am sure that all of you can relate to the personal growth you have experienced to start the next stage of your journey, you take with you the knowledge, professional skills, and maturity to make a major contribution to your chosen field, and to society. Use those attributes wisely, and as a product of the DPU, my colleagues and I will watch for those contributions in the years to come.

With this once again I wish you all with great success in life ahead.

Thank you very much.

Convocation Address by

Prof. Dhirendra Pal Singh

Chairman, University Grants Commission, New Delhi
on the Twelfth Convocation of the Vidyapeeth

Hon'ble Chancellor of Dr. D. Y. Patil Vidyapeeth, Pune, Dr. P. D. Patil Ji, Hon'ble Pro-Chancellor, Dr. (Mrs.) Bhagyashree P. Patil Ji, Hon'ble Vice Chancellor, Dr. N. J. Pawar Ji, Registrar, Dr. A. N. Suryakar, eminent personalities, who have been conferred the Degree of Doctor of Science (Honoris Causa) today respected Dr. Jayant Naralikar Ji, Emeritus Professor, IUCAA and respected Prof. Ram Takwale, Chief Mentor, Maharashtra Knowledge Corporation Limited, Trustees, Members of Board of Management and Academic Council, Deans, Directors, Principals, faculty members, staff and students, all invited guests and dignitaries, media persons.

It is indeed a great pleasure to join you on this momentous occasion of Twelfth Convocation of Dr. D. Y. Patil Vidyapeeth, Pune, I thank the Hon'ble Chancellor and the Vice Chancellor for inviting me to this occasion.

The convocation at any educational institution is a very important and memorable moment for the academic fraternity, particularly the students. It is a new journey for the graduating students in their life.

My heartfelt congratulations to all those students who have put in their hard work to earn gold medals. I also congratulate the students who have received their degrees today. This is an unforgettable moment and memorable day for you. Best wishes to all of you, as you earmark on this new chapter of your life. Our former President of India, Dr. APJ Abdul Kalam once said and I quote “If you want to shine like a sun, you must first burn like a sun.” Let your hard work keeps you on your toes for your future endeavors and may you all contribute for the nation building according to your ability, your potential and your skill to raise the prestige of your family, your institution and your country at the global level.

I am happy to note that Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pune made a humble beginning of its journey and now it has grown exponentially. Dr. D. Y. Patil Vidyapeeth, Pune is offering professional education in Medicine, Dentistry, Nursing, Physiotherapy, Optometry, Biotechnology, Management, Ayurveda and Homoeopathy. I am happy to note that the Vidyapeeth has obtained good positions in the NIRF 2020. I compliment the Hon’ble Chancellor, Hon’ble Pro-Chancellor, Vice Chancellor, faculties, staff and students on these achievements. I believe in future also the Vidyapeeth will continue to bring about meaningful changes to millions of young creative minds of the country. I also appreciate the initiatives of Vidyapeeth for successfully carrying out the online teaching and administrative activities during the COVID-19 pandemic including today’s convocation through virtual mode. Friends, the Government of India, Ministry of Education and all concerned organizations are working persistently, rigorously, and collaboratively to address the need of access, equity, quality, affordability, and accountability in our education system. As a result, the first education policy of the 21st century i.e. National Educational Policy of India (NEP 2020) was rolled out in July, 2020 after gap of 34 years. This policy has a potential to bring in large scale transformational reforms both at school and higher education level. This policy is built on the principle that education must develop not only community capacities both the foundational capacities of literacy and numeracy and high order of cognitive capacities, such as ethical thinking and problem solving, but also social, ethical, and emotional capacities and these positions. For the successful implementation and execution of NEP, we have a huge expectation from our higher educational institutions, and we are looking forward for their constant support in this educational reform. Our higher educational institutions, our universities are expected to overhaul & re-energize the quality of higher education with equity, inclusion and for that we need to restructure and consolidate our entire educational framework. In order to eliminate silos between different areas of learning, the National Education Policy provides that there would be no hard separations between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams etc. Multi-discriminatory in higher education institutions and the holistic approach for teaching learning practices which also be endorsed to ensure the integrity of all knowledge.

The ultimate aim is to develop well rounded individuals who possess critical 21st century capacities in field across the arts, humanities, languages, sciences, social sciences and professional technical and vocational fields. An ethic of social engagement, soft skills such as communication, discussion and debate and digress specialization in chosen fields. Some of the major challenges faced by higher education system in India to comprise employability of graduates, affording the state of the art curriculum enrichment and maintenance of quality teaching research and services. And absorption of latest technologies that can revolutionized the way of learning. To address these challenges University Grants Commission

(UGC) in the year 2018 set in motion a cause of cautions of in-depth reforms of higher education in India. By adopting higher education quality improvement program or quality mandate, which can verticals focusing on improving the quality in higher educational institutions. These include induction program for students- Dikshaarambh, training program for teachers- Gurudakshita, learning outcome based curriculum frame work, promoting qualitative research and, ICT enable teaching learning inculcation of values and ethics- Mulyaprabha, alumina engagements etc. The success of UGC's initiatives entirely depends on the sincerity and enthusiasm with which our universities and colleges, faculty members and students have adopted the suggested guidelines and framework in their regular teaching learning practices. Infact, teachers are the torch bearers in the process of education reforms. I would like to acknowledge the amicable role played by our teachers in nation building and to inspire, motivate, encourage, and educate learners in their classrooms. Our teaching profession is, therefore, morally & intellectually demanding, requiring dedication and devotion. Your role as a mentor and counselor in youth upbringing is as important as your role as a teacher. I call upon my teaching fraternity to be a role model for your students and let your words lighten up their past. Swami Vivekanand once said, and I quote "with a man is all knowledgeand even in boy it is so, and it requires only an awakening and that much is the work of a teacher". To awaken someone else one must be already wake. Dear students, a new chapter in your life begins today which will lead you to success and further achievements. I hope as a responsible citizen, you will play an important role in contributing to the overall development of the country and transforming India as a developed nation.

Dear students, whatever field you choose, work in life, show your talent and make a difference. Be prudent and walk on the right path. Make your mark as cultured and sensitive human being. I hope you will imbibe these values on this occasion of convocation. I am sure that with your responsible actions, behavioral conduct you will make your parents, teachers, Vidyapeeth proud.

With these words, I once congratulate all of you, your proud parents, your worthy teachers, your Vidyapeeth and wish you all the very best for your future endeavors.

Thank you very much and Jai Hind.

Awarding of Doctor of Philosophy (Ph.D.)
