Vice Chancellor's Report

Ninth Convocation of Dr. D. Y. Patil Vidyapeeth, Pune

(Thursday, 29th March, 2018)

Most Esteemed Chief Guest for today's Convocation ceremony, Shri M Venkaiah Naidu, Hon'ble Vice President of India; Shri CH. Vidyasagar Rao, Hon'ble Governor of Maharashtra; Shri Devendra Fadnavis, Hon'ble Chief Minister of Maharashtra; Shri. Girish Bapat, Hon'ble Guardian Minister, Pune; Dr. Pratapsinh G. Jadhav, Chairman, Pudhari Publications Pvt Ltd; Adv. Vishnu R. Parnerkar, President, Guru Seva Mandal; Prof. Achyuta Samanta, Founder, KIIT & KIIS Universities; Dr. D. Y. Patil, Former Governor of Bihar; Dr. P. D. Patil, Hon'ble Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune; Members of the Board of Management and Academic Council; Deans of Faculties, Distinguished Guests; the proud Graduands of the day; Staff of the Vidyapeeth; Students; Parents; Members of Press and Media; Ladies and Gentlemen.

I deem it a great privilege and honor to welcome each one of you on behalf of the Vidyapeeth and on my own behalf to this auspicious and solemn occasion of the 9th Convocation of the Dr. D. Y. Patil Vidyapeeth, Pune.

We are indeed fortunate in having our distinguished Vice President in our midst and are extremely grateful to you Sir, for sparing your precious time from your busiest schedule and agreeing to grace this auspicious occasion. I am sure that your Convocation Address will inspire one and all especially our bright young graduands. We look forward to your guidance

and blessings on this auspicious occasion.

This is a very special moment, since we are blessed with the presence of the iconic visionaries such as Shri. CH. Vidyasagar Rao, Hon'ble Governor of Maharashtra; Shri Devendra Fadnavis, Hon'ble Chief Minister of Maharashtra; Shri. Girish Bapat, Hon'ble Guardian Minister, Pune and Dr. D. Y. Patil, Former Governor of Bihar.

At the outset, I wholeheartedly congratulate all the Graduands who have successfully completed their education at this temple of learning and have become eligible to receive the Degrees of the Vidyapeeth on this wonderful day. Today a total of 545 undergraduate students, 499 postgraduate students and 12 Ph.D. fellows are being awarded Degrees for having completed their studies and passed the examinations during this period. Gold Medals are being bestowed upon 19 candidates who have secured highest marks in their respective disciplines.

We feel greatly honored to inform that Honoris Causa degrees, will be conferred upon Dr. Pratapsinh G. Jadhav, Adv. Vishnu R. Parnerkar and Prof. Achyuta Samanta. DPU has recognized these three icons, for their significant contributions, towards development of a vibrant India. The invaluable contributions, of these three eminent personalities have made them worthy of their reputation and in fact they have honored this Vidyapeeth and the society at large by agreeing to accept the Honoris Causa degrees today.

Let us share some of the recent achievements and persistent developments that have been crossed by Dr. D. Y. Patil Vidyapeeth, Pune since the last convocation held on 8th April, 2017.

- With the approval of MHRD, UGC & AYSUSH, Ayurvedic & Homeopathic institutions of the sister society have been brought under the ambit of Dr. D. Y. Patil Vidyapeeth, which will boost integration of teaching & Research between Indian Systems of Medicine & Modern systems of treatment.
- Recently Government of India, under Regulation -2018, has Categorization of Universities for Grant of Graded Autonomy and I have the pleasure to inform that our Vidyapeeth has been placed, in the élite group of 7 self financed deemed to be universities of the country in Category –I which will further help us in promoting and institutionalizing excellence in the programmes offered at DPU.
- As laid down in UGC regulations 2010 & 2016, functioning of the DPU was also reviewed, based on the criteria prescribed by the commission by the External Peer Committee during their visit on 10th & 11th June 2017 and the report has been accepted by the UGC.
- Recognizing the enhanced clinical facilities available in the Medical College over & above the norms, MCI (Medical Council of India) has permitted increased intake of Post Graduate seats from 140 to 171 in broader medical & Surgical Specialties and has also accorded approval for one more super specialty course along with increase in intake of super specialty seats to 16, which will boost our

efforts to train young students for Superspecialty services.

- It is indeed a matter of pride that Biotechnology & Bioinformatics Institute of DPU has been recognized as DST-FIST Centre by Department of Science and Technology, Govt. of India
- Vidyapeeth has joined the National Academic Depository (NAD) designed to maintain a repository of all degrees awarded by DPU, in a digital format accessible 24x7 to the students and employers from anywhere in the world.
- Research culture at our Vidyapeeth has been duly acknowledged by DST by re-recognizing DPU as Scientific and Industrial Research Organization (SIRO).
- At DPU we ensure to follow all ethical norms prescribed by GOI for Clinical Trials and other research activities and accordingly Drug Controller General of India has re-registered our Vidyapeeth Ethics Committee.

Ours is a nascent but a very vibrant university with “academic culture” that promotes meritocracy, honesty, and academic freedom. As a nation of 1.3 billion, today more than 2/3rds are in the age group of 15-64 years which will gradually shift to become a much younger India in the next 30 years, creating a very important human resource asset. The challenge, therefore, is to empower this young India to enable them to contribute not only for the development of the national economy but also the entire world. Our courses & programmes have been redesigned to meet the growing need of specializations, to facilitate mobility between programmes & courses, to update and modernize curricula and

to encourage the introduction of reforms in the evaluation procedure. We envisage creating an academic environment of international standards in healthcare education, under the guidance and support of our Chancellor Dr. P. D. Patil. He has been very generous with his time and counsel and we are indeed very grateful to him for his leadership of our University.

Research

University can grow successfully only when teaching and research get together symbiotically as they have no independent existence. Furthermore, there is a long-term implication of quality of research on national development, since research is the means of knowledge creation. We have created a conducive environment to undertake collaborative research projects combining teaching learning and research, to nurture originality, creativity and novelty. I feel proud to state here that this year DPU published about 450 papers in International and National journals of repute which are indexed in Scopus, Pub Med, Web of Science and Google Scholar. These cover a wide range of areas from medical, dental, biotechnology & bioinformatics, physiotherapy, nursing and management. There has been a significant rise in h- index, indicating

translational value and citations received by individual publication. The highest impact factor among the publications during the year under report was 47.8 (The Lancet 2017). Publishing papers is only one part of research, however, filing patents and writing book chapters, editing books, forms yet another aspect.

A research is impossible without funding. DPU has always been supporting research activities and has provided seed money of more than 1Crore during the year. In addition, university has received a total grant of more than 3 Crores from Department of Biotechnology (DBT), Department of Science & Technology (DST), CSIR-IGIB, ICMR and foreign agencies like National Institute of Health, USA, Harvard Medical School Centre for Global Health Delivery Dubai, Swedish International Development Cooperation Agency (SIDA), Sweden, Swedish Research Council, Sweden and International Team for Implantology (ITI), Switzerland apart from Rs. 7.13 Crores from DBT, towards collaborative project with Industry.

DPU has started the **Regenerative Medicine Laboratory**, which has been established following the guidelines of Good Manufacturing Practices (GMP), DBT and ICMR. It provides an excellent opportunity for the Post graduate students, PhD. scholars to engage in high profile research for future clinical and translational applications.

DPU has also established "**Advanced Centre for Molecular Diagnostics**" to develop and facilitate molecular diagnostic tools and techniques towards microbial, genetic, and parasitic diseases in Indian population. This Centre will

also provide a platform for ongoing and proposed research theme areas, create awareness and sensitization among the population about the importance of detection and diagnosis of rare genetic diseases.

It is not possible to give a complete list of publications in esteemed referred journals and individual research funding received, however, an account of some achievements given below is an indication of our endeavor towards quality of research at DPU.

- Institute of Biotechnology & Bioinformatics has received approval for a grant of Rs. 90.00 lakh from **Department of Science and Technology (DST-FIST)**, Govt. of India for development of infrastructure and facilities (including upgradation, modification etc.) for teaching and research.
- Department of Periodontology has been received a grant of \$23,300 from **International Team for Implantology (ITI), Switzerland** for project titled “Multi-Omic Characterisation of Oral Biofilm on novel silver-nanocoated and Control smooth titanium implant abutment surfaces”.
- Department of Conservative Dentistry has received a grant of Rs. 9.46 lakh from **Abbott Healthcare Pvt. Ltd.**, Mumbai for studying “Comparative effectiveness of Fluoro Calcium Phosphosilicate, Calcium Sodium Phosphosilicate, and Strontium Chloride Hexahydrate containing toothpastes for the treatment of Dentin Hypersensitivity – A randomized Single Blind study”.

International Research Collaborations:

In keeping with our motto of 'Breaking Boundaries – Finding Frontiers' and one of our missions, namely, partnerships with organizations with congruent ideals, we have signed MoUs and collaborative agreements with many institutions worldwide. The International linkages of DPU have helped it in drawing upon the wisdom built up at the partner institutions of repute.

- **Linnaeus-Palme teachers' exchange program** between DPU and **University of Skövde**, has been funded by the Swedish Council of Higher Education, under which two faculty members from DPU (Biotechnology Institute) visited University of Skövde, Sweden for a duration of one month and two teachers, Dr. Abul Mandal and Dr. Helena Enroth from University of Skövde visited the Biotechnology Institute during 2017-18.
- Under a bilateral agreement signed between DPU and **University of Skövde, Sweden**, four students of M.Tech Biotechnology have completed their one year project at Sweden during 2016-17 and four more students of M. Tech Biotechnology of present batch are performing their project dissertation at **Karolinska Institute (popular for conferring the Noble Prize) and Lund University, Sweden** for 2017-18.

- The Department of Global Health Education, **Johns Hopkins University, USA** has been sending their students in batches to our medical and nursing institutes, to provide them global health training at DPU, by fostering a collaborative learning environment under their Global Health leadership programme.
- DPU & **Johns Hopkins University, USA** are running an **inter-disciplinary collaborative research project** titled “Impact of diabetes on TB treatment outcomes” and “Video based directly observed treatment using new application (MiDOT Study)” which involves, the Department of Respiratory Medicine along with the Department of Medicine & Department of Microbiology of our Medical College.
- DPU & **Harvard Medical School Centre for Global Health Delivery Dubai** are running an **inter-disciplinary collaborative research project** titled “Assessing pathways to care among tuberculosis (TB) and drug-resistant tuberculosis (DR-TB) patients in Pune City, India: a biosocial inquiry” which will involve the Department of Respiratory Medicine of our Medical College.
- Department of Pediatrics is involved in a research project with **Johns Hopkins University, USA** entitled “Healthcare-Associated Sepsis in the Neonatal Intensive Care Unit in Pune, India”. In January 2018, five faculty members from Department of Pediatrics, Johns Hopkins University visited DPU, to teach interventions to decrease infection rate in NICU.
- Department of Medicine is in collaboration with the **Institute of Liver and Biliary Sciences (ILBS)**, New Delhi for education and Research. Two faculty members and ten Medicine Residents participated in Liver and Biliary Disease e-Learning course and awarded Certificate of successful completion by ILBS, New Delhi in 2017.
- Department of Psychiatry is under collaboration with **National Centre for Cell Science, Pune**.
- Department of Medicine holds video conferences regularly once a month 'Global Grand round in infections' with Johns Hopkins University.
- Institute of Biotechnology & Bioinformatics and Agroinnovations India Pvt. Ltd., Baramati was signed an MOU for testing of the probiotic formulation developed at the institute, on poultry to develop an organic probiotic healthy feed. The product will be commercialized by the same company after successful testing.

Faculty / Students participating in International Conferences:

- **Dr. Deepak Kulkarni** and **Dr. Laxshmi Shetty** from Department of Oral & Maxillofacial Surgery, visited Chang Gung Memorial Hospital, **Taiwan** from 19th to 23rd June 2017.
- **Dr. Pushkar Waknis** from Department of Oral & Maxillofacial Surgery was invited as a Surgical Observer at University of Heidelberg, **Germany** from 26th to 30th June 2017.
- **Dr. Deepak Kulkarni** from Department of Oral & Maxillofacial Surgery, attended "Clinical Master Biohorizons" at Lake Como Institute, Como, **Italy** from 2nd to 3rd October, 2017.
- **Dr. Deepak Kulkarni** from Department of Oral & Maxillofacial Surgery, attended "66th AAID Annual Conference 2017" at San Diego, California, **USA** from 11th to 14th October, 2017.
- **Dr. D. Gopalakrishnan** from Department of Periodontology, attended "The American Academy of Periodontology - 103rd Annual Meeting" at Boston, MA, **USA** from 9th to 13th September, 2017.
- **Dr. Jayesh Rahalkar** from Department of Orthodontics, attended "Indian Orthodontic Society - Mid Year Convention 2017" at **Czech Republic** on 3rd August, 2017.
- **Dr. Ashwin Deshmukh** from Department of Orthopedics, attended "The 2017 Hong Kong International Sports Medicine Symposium" at HKISMS, Hong Kong on 30th September 2017.
- **Dr. Ashwin Deshmukh & Dr. Vivek Patole** from Department of Orthopedics, attended "1st HKU International Musculoskeletal Tumor course" at **Hong Kong** from 24th to 26th November 2017.
- **Dr. Amit Kharat & Dr. Pratiksha Yadav** from Department of Radio-diagnosis, attended "RSNA Annual Meeting 2017" at **Chicago, USA** from 26th November to 1st December 2017.
- **Dr. Charan Bale & Dr. Nilesh Shinde** from Department of Nephrology, attended "American Society Nephrology Conference" at **New Orleans, USA** on 5th November, 2017.
- **Dr. Abhishek Goel** from Department of Nephrology, attended "International Society of Nephrology (ISN) Frontiers Symposium - 2018" at **Tokyo, Japan** on 22nd February, 2018.
- **Dr. Vastalawamy and Dr. Yashraj Patil**, from Medical College attended SAKAL EDUCON 17 at **Singapore** from 6th to 11th September 2017.

- **Dr. S. R. Agarkhedkar** from Department of Pediatrics attended “International Meet on Research on Neonatal Sepsis” at Johns Hopkins University, **USA** from 17th to 19th April, 2017; attended “Allergic Rhinitis-first overseas CME of IAP” at **Bhutan** on 30th May, 2017 and also attended a conference on “Retinopathy of prematurity” at **Bergen-Norway** on 11th July, 2017.
- **Dr. Shailaja Mane** from Department of Pediatrics attended a workshop on “Teen healthy –Go! How to build an effective partnership between young people and professionals in training programs” at **Paris** from 6th to 14th July, 2017.
- **Dr. Shahaji Chavan** from Department of Surgery attended a regional conference at **Atlanta, USA** on 31st October & 1st November 2017; attended a conference at **Los Angeles, USA** on 3rd to 6th November 2017 and also visited Stanford University, **San Francisco, USA** 7th & 8th November 2017.
- **Dr. K. V. Swamy**, from Biotechnology Institute was invited as Speaker at the 9th International Conference on Bioinformatics at **Paris, France** on 13th to 14th November, 2017.
- **Dr. Kunal Bhattacharya and Mr. Omkar Gujar**, of GBSRC presented a paper in 17th Asia Pacific Conference on Marketing, held in **Hong Kong**, during 19th & 20th January 2018.
- **Dr. D. S. Bhamare** has been awarded as “Fellowship in sports medicine and Arthroscopy” at **Thailand** from 1st to 20th January 2018.
- **Dr. Gargi Sarode** has completed Short-term Fellowship in Cancer Biology at Department of Oncology, University of Torino, Italy Supported by Trialect Global Education Program from 5th to 17th February 2018.
- **Dr. Rahul Bagul** has been awarded as “Fellowship in Orthopedic trauma fellowship” at **Brazil** from 29th January to 26th February 2018.

Conferences, Seminars, Workshops organized at DPU

Various institutes of DPU take pride in acting as a nucleus for disseminating knowledge, created around the globe by conducting, national and international workshops/ conferences/seminars, with financial support from the university or in collaboration with other funding agencies/organization. By way of such events, our opinions are put forth and shared with others in the same field and weighed against criticism. Some of the events organized are as follows;

- College of Nursing, organized CNE on “Role of a Nurse in Alternative Modalities of treatment” on 28th April, 2017.
- Global Business School & Research Centre, organized Faculty Development Program on “Honing Teaching Learning Skills” from 5th June to 9th June 2017.
- Department of Public Health Dentistry, organized a Training on “Level II Life training on tobacco cessation” by Dr. Himanshu Gupte, Dr. Vaibhav Thawal, Dr. Ratnadeep Chawla, from Narotam Sekhsaria Foundation, Mumbai on 3rd & 4th July, 2017.
- Institute of Optometry, organized a Seminar on “Low Vision Management & Rehabilitation” on 2nd August 2017.
- University Centre for Professional Education and Faculty Development (UCPEFD), organized 5 day workshop on “Health Sciences Education Technology” from 7th to 11th August 2017.
- Institute of Biotechnology & Bioinformatics, organized a Seminar for students on “Awareness about ragging” on 10th August, 2017 by Dr. Vanita Patwardhan, Renowned Psychologist, Pune.

- Department of Periodontology along with Indian Society of Periodontology, organized an "ISP Integrate workshop" on 19th & 20th August 2017.
- College of Physiotherapy, organized a workshop on "Role of Multidisciplinary intervention in Neuro Developmental Disorder" on 7th September 2017.
- Department of Oral & Maxillofacial Surgery, organized a workshop on "Regenerative medicine and its applications in medicine and dentistry" by Dr. S. Shankarnarayanan and Dr. V. R. Ravi, Directors, Mother Cell Regenerative Centre, Trichy on 11th and 12th September 2017.
- College of Physiotherapy, organized a workshop on "Therapeutic Taping" and "Taping (IMTT)" on 4th September 2017 and from 11th September, 2017 to 14th September, 2017.
- College of Nursing, organized a CNE programme on "Critical Care Nursing & Skills" on 22nd September, 2017.
- College of Physiotherapy, organized a workshop on "Certified Orthopedic Manual Therapy" and was conducted by Dr. Deepak Kumar and Dr. Bhini Semwal, Capri Institute of Manual Therapy on 27 September, 2017.
- Institute of Optometry, organized a two days workshop on "RGP Contact Lens" by RoseK International contact lenses company on 3rd November, 2017 and 17th November, 2017.
- Department of Periodontology along with India Prosthodontics Society Pune Branch, organized "Prosthodontics Study Club" on 9th November 2017.
- College of Nursing, organized a CNE programme on "Quality improvement and patient safety" on 16th December, 2017.
- Department of Conservative & Endodontics Dentistry, organized a CDE programme on "Esthetic Everyday Dentistry - the Style Italiano Way" on 18th December, 2017.
- College of Nursing, organized a workshop on "Epidemiological & Advanced Research Methods" on 9th January, 2018.
- Institute of Biotechnology & Bioinformatics, organized a workshop on "Basic Techniques in Molecular Biology" on 18th to 19th January, 2018 by IIT Kharagpur (Kshitij 2017-18) in association with www.makeintern.com.
- College of Physiotherapy, organized a Guest Lecture on "Mind and Body" by Dr. Rajendra More, MD, Psychology, Hypnotist and Founder of Oasis counselors, Pune on 15th January 2018.
- Global Business School & Research Centre, organized an "Annual HR meet: HR Practices for Future Organizations" on 19th January 2018.
- College of Physiotherapy, organized a Guest Lecture on "Personality Development" by Mr. Rajesh Chavan on 25th January 2018.
- Global Business School & Research Centre organized a seminar on Budget Analysis by CA Shailendra Marathe, CFO Ashish Marathe and Dr. Hemendra Singh (IIM-B) ON 5th February 2018.
- College of Physiotherapy, organized a Guest Lecture on "Positive Attitude and Meditation" by Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya on 7th February, 2018.

- Institute of Biotechnology & Bioinformatics, organized a Career Awareness Oriented Seminar for students on “Overview of Clinical Research” to open up the opportunities in the field of Clinical Trials on 11th February 2018 by Dr. Sunil Chaudhary, Director, Life Point Research Institute, Pune and Dr. Vishal Chaudhary from Clini India, Pune.
- Institute of Biotechnology & Bioinformatics, organized a two days Industry-Academia Conclave 2018 (IAC 2018) on 23rd to 24th February 2018. The scientific program of the symposium comprised of 14 invited lectures from the internationally acclaimed experts from academia and industries.
- Global Business School & Research Centre organized a seminar on “Secure Investment Planning for a secured Life” by Mr Pratyush, on 6th March 2018.
- Global Business School & Research Centre organized a seminar on “Campus to Corporate & Beyond” by Mr. Rohan Kelkar, HR Consultant and “Creation & Execution of Innovative Business Plan” by Dr. Nitin Pitty, Sales Director- KPIT Technologies on 10th March 2018.
- Global Business School & Research Centre organized a faculty development programme on Change Management by Pragati Leadership on 19th March 2018.
- In order to enrich the faculty to update the knowledge, the Medical College organized the following programmes:
 - Department of Medicine in Association with Geriatric Society of India, Pune Chapter, organized Mid Term National Conference on “Current and future challenges of healthy aging” on 15th & 16th April, 2017.
 - Department of Community Medicine organized Basic Course on “Statistical Packages for Health Research” on 4th & 5th May, 2017.
 - Department of Respiratory Medicine organized a workshop on “Pulmonology Update 2017” on 21st May, 2017.
 - Medical college organized a CME programme on 'Critical Care Medicine' in collaboration with the International Medical Sciences Academy (IMSA) and Royal College of Physician and Surgeons (Glasgow) in May 2017.
 - Department of Physiology, organized meditation programmes on “Yoga and Pranayam” on 12th June, 2017.
 - Department of Physiology, organized meditation programmes on “Fitness Medicine” on 15th June, 2017.
 - Department of Physiology, organized meditation programmes on “Stress Management” on 16th June, 2017.
 - Department of Medicine, organized a programme on “Geriatric outreach activity” on 20th June, 2017.
 - Department of Radio-diagnosis, organized a programme on “Overview of PET-CET imaging” on 22nd June, 2017.
 - Department of Ophthalmology, organized a programme on “Trend in Management of Primary open Angle Glaucoma” on 4th July, 2017.
 - Department of Community Medicine, organized a workshop on “Research Methodology” on 7th & 8th July, 2017.

- Department of Ophthalmology, organized a training on “Current Medical and surgical Modalities in Management of Diabetic Retinopathy” on 8th August, 2017.
- Department of Medicine, organized a programme on “Current Scenario on Liver Transplant” on 1st September, 2017.
- Department of Emergency Medicine, organized master trainer course on “Life skill education for adult trainers and Peer Educators” on 14th & 15th September, 2017.
- Department of Medicine, organized an Interactive Training Programme on “Case Based Approach to Haematolymphoid Disorder” on 22nd September, 2017.
- Department of Medical Educational Technology organized a Basic MET workshop for residents and demonstrators from 14th to 16th and 21st November 2017.
- Department of Anatomy & Anaesthesia, organized a “Cadaveric workshop of Anatomy of Regional Anesthesia” on 19th November, 2017.
- Department of Medicine, organized a programme on “Neurological Interventions in Ischaemic Stroke” on 29th November, 2017.
- Department of Respiratory Medicine, organized a programme on “Whole Genome Sequencing to diagnose Drug Resistant TB” on 16th December, 2017.
- Department of Psychiatry, organized a conference on “Association of Industrial Psychiatry of India” on 20th & 21st January, 2018.
- The department of Radio-diagnosis organized the first musculoskeletal society's National workshop on 'musculoskeletal ultra sound' with Dr. Amit Kharat as the course director.
- Institute of Biotechnology & Bioinformatics has started Saturday Seminar Series and accordingly following seminars to update student and faculty about recent trends in various fields of biotechnology are deliberated:
 - Prof. Samit Chattopadhyay, Director, CSIR, Indian Institute of Chemical Biology (IICB), Kolkata, delivered a talk on 'Tumor suppressors and their role in preventing cancer'.
 - Dr. Birandra K. Sinha, Ex-PI, NCI, NIH, Bethesda, MD, USA, delivered a talk on 'The role of nitric oxide in cancer drug resistance'.
 - Dr. Ashok P. Giri, Chair and Principal Scientist, Biochemical Sciences Division, CSIR-National Chemical Laboratory, Pune, delivered a talk on 'Plant Secondary metabolites pathway and analysis'.
 - Dr. Subhash Padhye, Director, Interdisciplinary Science and Technology Research Academy, Pune, delivered a talk on 'Opening the window of Curing Cancers with Privileged phytochemicals analogs'.
 - Dr. Gopal C. Kundu, FNA, FNASc Scientist– G, National Centre for Cell Science, Pune, delivered a talk on 'Therapeutic Targeting of Osteopontin and Associated Genes in Breast Tumor Microenvironment'.
- College of Physiotherapy, organized a workshop on instructor course of “Aerobic and Pilates” was conducted by Dr. Surjit Chakarobarty, Director, Indian Fitness Academy.

Outstanding Faculty :

We are extremely proud of our exceptional faculty. They are really an asset to this institution, who always update their knowledge and skills to help shape our students an infinite reservoir of potential talent. I am sure that these students, faculty, staff and the alumni would work collectively towards building this educational institution as a 'World Class University'. These reputed faculty members were invited to deliver key note lectures or to chair the technical sessions at various conferences/ workshops and also to participate as chairman/members of various National committees. Details of a few are given below:

- Dr. Soumik Basu was selected for the GSMC FAIMER Fellowship at Regional Institute of Physiotherapy in April 2017.
- Dr. Khurshid Jamadar was awarded “Best Principal Award” by Maharashtra Nursing Council, Mumbai in May 2017.
- Dr. S. R. Agarkhedkar was awarded “DDI Healthcare Excellence Award” at Pune on 7th May, 2017.
- Dr. Shweta Joshi was awarded “Best Researcher Award” by Trained Nurses Association of India, Pune on 9th May, 2017.
- Dr. Shailaja Mane was awarded “Mrs Brave & Mrs India Awards” at New Delhi on 25th May, 2017.
- Dr. Manisha Deshpande has filed the Indian patent on a novel rainwater management system on 7th July, 2017.

- Dr. A. L. Kakrani is one of the programme faculty in Global Health Leadership Program Committee, Johns Hopkins school of Medicine.
- Dr. A. L. Kakrani is part Team of the standard treatment protocol Published by Public Health Department, Gov. of Maharashtra.
- Dr. P. Vatsalawamy is a co-author of a Book titled 'Histology – Answers to Questions'.

Students' Achievements

The innovative concept of making learning as a more fun- oriented and interactive activity, boosts up the insight of students as they learn faster and open up to more ideas, making it easier for teachers to identify and distinguish the overall understanding of the subject by the student/s. I am happy to share with you the achievements of our students who have made the university proud on many occasions. A project entitled “A multipurpose low-cost biological air purifier” submitted by students of Biotechnology and Bioinformatics Institute under the guidance of Dr. Neelu Nawani received the prestigious Gandhian Young Technology Innovation Award 2018 (GYTI 2018). The award was given to the students Mrs. Neeta Wagle and Ms. Priti Yewale by Hon'ble President of India Shri Ram Nath Kovind. The award includes a research grant of Rs. 15 lakhs for the scale-up and commercialization of the prototype and technology developed in this study. In all, there were 3000 applications for this award from all over India and only 23 were selected for the GYTI 2018 awards, of which most of the awards were given to students from IITs and IISc, DPU being one of the only two

universities whose students received the award. I cannot exhaustively list all the laurels earned by you, my dear DPU students, but it is my hope and dream that these are but stepping stones, to bigger achievements that await you in your life.

- Ms. Snehal Janusingh Pawar, from Dental College was awarded “Shiva Chhatrapati Rajya Krida Puruskar” by Govt. of Maharashtra for 2015-16.

- Ms. Pratiksha Masurkar, Student of Medical College won 1st Prize for written & direction of the Stage Play at AFMC Silhouettes 2018.
- The Basketball Girls Team of Medical College won 2nd prize at AFMC Silhouettes 2018.

- Mr. Jai Ahuja, Student of Medical College won Best Actor Award for Stage Play at AFMC Silhouettes 2018.

- Ms. Janvi Bankar, Student of Medical College won First Prize in Swimming Competition at Symbiosis University, Pune.

Social Outreach

We are glad to inform you that, our Medical College stood FIRST in Maharashtra State under the programme "Charity Hospital at poor patient's doorstep" being implemented by the Charity Commissioner, Maharashtra State. The aim was to provide free treatment to poor and needy patients.

Our focus has been to build an education system with the highest pedagogic and ethical standards that encourages young health professionals of the nation to be productive and socially responsible citizens within a caring collaborative learning community. DPU Unit of UNESCO Chair in Bioethics has been very actively involved in promoting and supporting development of Bioethics Curriculum not only for our constituent Institutes but also for other Institutes of the country.

We have organized more than 55 medical outreach diagnostic camps during the period under report & examined 85,151 patients from rural areas. Patients are brought from far flung & tribal areas for treatment at our hospital. More than 30 renal transplants have been conducted during the period under report including pediatric renal transplant with a very high success rate in our Medical College. We at Rural Health Training Centre (RHTC), Alandi & Urban

Health Training Centre (UHTC), Pimpri, Pune provide OPD services for routine illnesses, conduct minor surgeries & provide reproductive & child health services for needy women & children. Free health check-up camps have been conducted for some social groups that are especially vulnerable to health problems such as traffic policemen, rickshaw drivers, stone quarry workers, street children, Anganwadi children, etc. Department of Microbiology runs RNTCP (Revised National Tuberculosis Control Programme) for Rapid detection of Mycobacterium Tuberculosis by LiPA and CBNAAT molecular Method under the Ministry of Health & Family Welfare, Government of India.

Dental College has organized more than 200 dental outreach diagnostic camps during the period under report & examined 24,150 patients from rural areas apart from treating 31,049 patients at our RHTC/UHTC. Dental College has also organized an eight days camp in association with Government of India, Maharashtra Impact India Foundation an international initiative promoted by UNDP, UNICEF and WHO, at Life

Line Express the World's First Hospital on Train at Ballarshah Maharashtra. A total of 962 patients got screened and 513 received treatment in the fully functional dental unit of Lifeline Express.

Nursing students participated in National Pulse Polio Immunization Programme, under which students gave 7,326 Polio Doses and visited 21,067 homes in PCMC. Physiotherapy College has organized various camps and awareness lectures for the benefit of community like Vestibular dysfunction for deaf children, Alzheimer camp, cerebral palsy screening camp, Obesity, Arthritis & Geriatric Screening Camp. Also organized Industrial camp for awareness, screening and treatment at Jayashree Polymers Pvt. Ltd, Limson Engineering Pvt. Ltd & Riazon Engineering Pvt. Ltd at M.I.D.C, Bhosari Health Education about Menstrual cycle, Problems and Menstrual Hygiene methods in PCMC School, Health awareness lecture about HIV & AIDS, Blood Donation Camp, lectures on correct breast feeding techniques, and myths about breast feeding and Physiotherapy for post natal women.

Infrastructure

DPU has always endeavored to deliver quality education in a globally benchmarked learning environment through modern amphitheatre-styled air-conditioned classrooms, hi-tech labs and libraries. Not only has the physical infrastructure been extensively modernized, the facilities and equipment have improved at a faster pace. We have installed 3 Tesla MRI system: MAGNETOM Vida with biomatrix technology which is the first installation of its kind in any Asian country and will provide data quality comprehensive image as a robust, standardized reproducible image data of patients. We are also in process to install Robotic Surgery System of Da Vinci Xi, which is the 4th generation frontier for the minimally invasive surgeries of the modern century.

Department of Cardio Vascular and Thoracic Surgery (CVTS) became fully functional from 1st September 2017 with the start of open heart surgery. CVTS department is one of the 3 hospitals conducting a multicentre trial for the Meril “Daffodil” bio prosthetic heart valve, a make in India initiative. Till date, Cardiac - 87, Vascular – 31 and Thoracic – 6 cases have been successfully performed at our Medical College.

Before I close, I would like my faculty and staff to join me in congratulating all our students who will be graduating today from DPU. To all those graduating today, I hope you were able to get the most of what DPU had to offer, and that you will use your knowledge and experience fruitfully to serve the people of this country and those elsewhere. Set your goals higher and the glory will belong to you. Success has only one amazing formula, Stop thinking in terms of Limitations and Start thinking in terms of Possibilities.

I wish you all the very best in your lives, both professional and personal and as you move forward in your life, do reflect upon the many contributions that your family, your teachers, and your communities have made to your lives. Do remain connected with your alma mater and visit us whenever, you yearn to revive some of your fine moments. I urge you to remain worthy ambassadors and great Alumni of this distinguished Vidyapeeth by upholding the virtues of honor and excellence in service to the society around you and beyond.

Jai Hind

Exhortation by the Hon'ble Chancellor

Speak the Truth.

Act in accordance with Morality.

Do not deviate from Learning.

You should not deviate from Truth.

You should not deviate from duties.

You should not neglect mental and moral welfare.

You should not neglect material prosperity.

You should not neglect Learning and Teaching.

Revere your Mother as God.

Revere your Father as God.

Revere your Teacher as God.

Revere your Nation as God.

You should Practice only those actions
that are blameless and not others.

You should Respect and follow only the
noble deeds performed by us.

This is the Instruction.

This is the Teaching.

This is the Exhortation.

You should respect and follow this.

Awarding of Ph. D Degrees

Swati Moholkar
Pharmacology - Faculty of Medicine

Mahesh Shivaji Chavan
Oral Medicine & Radiology - Faculty of Dentistry.

Mussarat Khatri
Oral Pathology & Microbiology - Faculty of Dentistry.

Kalyani Ashish Bhate
Oral & Maxillofacial Surgery - Faculty of Dentistry.

Supriya Kheur
Oral Pathology & Microbiology - Faculty of Dentistry.

CITATION
Presented to

Dr. Pratapsinh G. Jadhav
at 9th Convocation held on 29th March, 2018

We are extremely proud to honour Dr. Pratapsinh Ganapatrao Jadhav, Chief Editor and Chairman Pudhari Publications Private Limited, Kolhapur, publishers of the Largest circulated, Fastest growing, and widely read Marathi Daily Newspaper "Pudhari" in Maharashtra. Dr. Jadhav is an Eminent and Undaunted Journalist, Versatile Leader of Masses, Undisputed Pioneer of Many Social Reforms. Known as a doyen of Marathi journalism, he created several benchmarks in print media through his innovative ideas and concepts.

Born on 5th November 1945, in the family of the Great Freedom Fighter and Social Reformer, Late Dr. Ganapatrao G. Jadhav, Founder Editor of the Daily Pudhari, Dr. Pratapsinh Jadhav, completed his graduate level studies from the Rajaram College, Kolhapur and graduated in Law from the famous ILS Law College, Pune. He pursued his studies in journalism from University of Pune and from Cardiff, London (UK).

While bringing new modern technologies and appropriate changes in his newspaper, he carried the legacy, and traditions of his father using the platform of the daily for social change. By following in his father's footsteps, he reaffirmed his commitment of being a crusader for fighting for social cause and has been performing a role of a watchdog and custodian of people's liberty. Since, Pudhari, has always been taking lead in finding solutions on various issues facing several sections of the society, it has not only remained mere newspaper but has become a sort of people movement. That is how it has become 'Leader' (Pudhari) in real and true sense. 'Pudhari' is among a few newspapers which were started during pre independence era but still surviving. It has remained independent and fearless as it has no links either with any political party or big industrial houses. Taking this principled, value based stand sacrificing personal interests in a cutthroat competition era, demonstrates the sincerity and integrity of Dr. Jadhav's personality.

As the Chief Editor & Chairman of Pudhari, the newspaper enjoys a legacy of pioneering social and cultural transformation, since pre-independence era. It has the track record of awakening the mass readership amongst cross sections of the society and the public at large. Many distinguished personalities not only from India, but from abroad too, have visited the organization and appreciated the work. The Golden Jubilee was celebrated in the year 1989 at the auspicious hands of then Prime Minister (Late) Rajiv Gandhi at Kolhapur. In the year 2015, the Platinum Jubilee was celebrated at the auspicious hands of visionary Prime Minister Shri Narendra Modi at Kolhapur.

Besides his contribution to the profession of journalism, he has made huge contribution in the field of Education as well. He is responsible for the foundation of the faculty of Fine Arts and Journalism at the Shivaji University, Kolhapur. He also heads number of Academic institutions in the states of Maharashtra, Karnataka, and Goa.

Dr. Pratapsinh G. Jadhav has been awarded many awards by various organizations, and the list is fast growing. To mention a few are - Panchjanya Nachiket Award for Patriotic Journalism at the hands of the then Prime Minister of India, Shri Atal Bihari Vajpai, Swami Vivekananda Puraskar by Swami Vivekanand Peeth Jhansi for patriotic journalism, Ahimsa Trust Puraskar for Fearless Nationalist Journalism New Delhi, Manpatra by Kolhapur Municipal Corporation, Prestigious Bal Shahstri Jambhekar Darpan Award, Ratnadarpan Puraskar by Doordarshan, Honorary Degree of Doctor of Philosophy by Himachal Pradesh University.

Besides this, Dr. Jadhav's major contributions to the society are - "Siachin Hospital", built at World's Highest Battlefield, a challenging terrain where Nature causes more Casualties than the Bullets. The Hospital is donated to the Indian Army for the Indian Jawans in November 2001. Since inception Medical needs of Siachin Hospital are being taken care of by Pudhari Group. Till date more than 1 lack soldiers have been successfully treated and cured at this facility. It was inaugurated by the then Defence Minister of India, Mr. George Fernandes.

Another hospital built in Gujarat in January 2001 for the Earth Quake affected people. The Hospital was inaugurated by then Chief Minister of Maharashtra Mr. Sushilkumar Shinde. Helps in addressing the problems and issues of various people including farmers in the area.

In recognition of his contributions in the field of journalism and social work, the President of India conferred the prestigious "Padma Shree" Award on him in April 2003.

As a token of recognition of his outstanding contribution in the field of Journalism and Social work, Dr. D. Y. Patil Vidyapeeth, Pune is proud to confer the Degree of **Doctor of Letters** (Honoris Causa) on **Shri Pratapsinh Ganapatrao Jadhav**, on this day 29th March, 2018.

Speech of Acceptance by Dr. Pratapsinh Ganpatrao Jadhav

Chairman, Pudhari Publications Pvt. Ltd

Hon'ble Vice President Shri. M Venkaiah Naidu Ji, Hon'ble Guardian Minister, Pune, Girish Bapat Ji, Founder Hon'ble Padmashri Dr. D.Y. Patil Dada, Prof. Achyuta Samanta Ji, Advocate Vishnu Parnerkar Ji, Chancellor of D.Y Patil Vidyapeeth Dr. P D Patil Ji, faculty members, other dignitaries and young bright students. Please allow me to express my deep gratitude for conferring the Honorary Doctorate on me. I deeply appreciate this gesture and accept this distinction with all humility.

At the outset, I convey my heartiest congratulations to all the students who have received their degrees, diplomas and medals. Convocation is always an important milestone in the life of students. Learning is a continuous process! Acquiring degree is not the end but the beginning of a new phase in life. While thinking of education we should also introspect on the state of literacy in our country. At the time of independence our literacy rate was hardly 12 percent, but now, the literacy rate is 74 percent. Still the number of illiterate people in the present population is approximately 433 million. With ever growing population the literacy continues to be a true challenge for the developing nation. I feel the right to education needs to be further extended! The Indian education sector is very huge according to the figures, quoted by the Ministry, for instance, there are 270 million students in India from KG to PG level. The Kothari Commission recommended that 6 percent minimum of the GDP should be spent on education. I feel the Government should increase this because investment in education will give rich dividends in future.

My young friends, the greatest strength and wealth of a nation lie in its youth that is you. In the hands of the youth, lies the future of the nation. By 2030, which is after another 12 years, India is likely to be the youngest nation in the world with nearly 140 million students ready to enter higher educational institutions. It will be interesting to note that 1 in every 4 graduates in the world would be a product of the Indian Higher Education system. We are a nation of 800 million young people, 65 percent of the population is below 35 years. There is nothing that we cannot achieve with such a huge demographic advantage.

I have got limited time, but now, I must congratulate Dr. D. Y. Patil Vidyapeeth for achieving the 1 rank. Dr. P. D Patil, the Chancellor of this Deemed University, has a passion for excellence! I always admire his innovative strategies. Moreover, empowerment through knowledge is his life's mission. Dr. D. Y. Patil Dada, the founder member of D.Y. Patil group, a well-known educationist and philanthropist, has made a benchmark in the history of deemed universities in our country. A man with visionary approach, he created world class educational facilities from KG to PG. Friends, let me thank the University for the Honorary Doctorate. I have been in journalism for nearly last 50 years. I believe the role of the newspaper is not only limited to news but to educate the masses at large. 'Pudhari' is not only a newspaper but it is also a sort of social movement. I accept this Honour with due regards.

Thank You!

CITATION
Presented to

Adv. Vishnu R. Parnerkar
at 9th Convocation held on 29th March, 2018

It gives us extreme delight and proud privilege to honour Vidyasagar Vishnu Ramchandra Parnerkar an eminent Spiritual leader.

Born on 29th June 1939 at Ammalner in the Jalgaon District of Maharashtra, Advocate Parnerkar completed his Post Graduate studies in English, Economics and Law from Indore.

He was a legal practitioner at Indore High Court for about thirty years (between 1962 and 1991). During this period, he also taught law at Holkar College, Indore, and was also the President of the Bar Association at Indore. While practicing law, he was actively associated with various social organizations in the areas of sports, and vedic learning. He has been a keen sports enthusiast. He had excelled in Tennis and Billiards. He has also shined in MallaKhamb and Chess as a National Player.

After the death of his father Dr. Ramchandra Parnerkar in 1980, the responsibility of continuing the various activities of the social organizations started by him fell on the shoulders of Shri Vishnu Ramchandra Parnerkar, which he is very effectively and efficiently shouldering. Moreover he had to take responsibilities continuation of various academic and other institutions too.

He is a very motivational and forceful speaker, and had given numerous thought provoking lectures in the subjects of Peace policy, Economics and other areas in India and abroad. A Global Spiritual master in his own rights, he has established over two hundred centres globally to encourage his followers to adopt Life Management philosophy **Poornawad**, propounded by his illustrious father.

He is the recipient of various awards, to name a few are - Pt. Madangopal Vyaas Puraskar by Bharatiya Sanskriti Seva Pratisthan, Rig Veda Bhushan Puraskar by Brahman Sabha, Pune, D. Litt. by Vikramsheela University, Bihar and D. Litt. by Sagar University, Bihar.

As a token of his invaluable contribution in the field of social work, especially in propagating the concept of Poornawad among the youth, Dr. D. Y. Patil Vidyapeeth, Pune, is proud to confer the Degree of **Doctor of Letters** (Honoris Causa) on **Advocate Vidyasagar Vishnu Ramchandra Parnerkar** on this day 29th March, 2018.

Speech of Acceptance by Advocate Vishnu Ramchandra Parnerkar

President, Guru Seva Mandal, Parner, Maharashtra

Most respected Vice President of India, Hon'ble Shri. M Venkaiah Naidu Ji and all the other dignitaries present here today. Congratulations to those who have received the award! I am a student of intuitional science and I want to develop this particular stream. Dr. P. D Patil, the Chancellor of this University, is a man of qualities and have always appreciated my work and encouraged me to carry my work forward. I have certain ideas that I have discussed with him that we want to initiate in the field of education.

This is an opportunity for me to be with him and I thank him from the bottom of my heart. I have to mention that I had spent 50-60 years with Dr. D.Y Patil Ji and he had always showered me with love and affection.

Before I end my speech, there are three topics that I want to mention- God, food for all and the mother earth. These are the three topics which everybody should contemplate and deliberate. I thank all you for hearing me patiently for giving me this opportunity and this highest degree of honour. Thank you very much, Thank you all!

CITATION

Presented to
Prof. Achyuta Samanta
at 9th Convocation held on 29th March, 2018

We are extremely proud to honour Professor Achyuta Samanta, a great and legendary educationist of our times.

After losing his father at a tender age of four years, he obtained his Master's Degree in Chemistry at the age of 22, in the year 1987. With a modest beginning with a seed capital of only Rs. 5,000/-, he established the Kalinga Institute of Industrial Technology (KIIT) and Kalinga Institute of Social Sciences (KISS) in the year 1992-93. KIIT took shape as an institution in 1997 and within a span of just seven years, it became a University in the year 2004.

Today, KIIT has Schools in diverse faculties of studies right from conventional areas to specialized areas, including Medical Sciences. KIIT also runs a 2,000 bedded multispecialty hospital, which has an attached medical college too.

Professor Achyuta Samanta has worked on almost all the Educational bodies of the Government of India, which includes UGC, AICTE, NCTE, ISTE, ISCA, etc. He was the General President of Indian Science Congress Association for the Session 2017-18. Recently he has been elected as member of Rajya Sabha. He is a motivational speaker par excellence. As the Founding Chancellor of both KIIT (Deemed to be University) and KISS (Deemed to be University), he has the distinction of being the youngest Chancellor of any Indian University.

Professor Achyuta Samanta has been conferred with as many as 35 Doctorate Degrees (Honoris Causa) from different Universities across the globe, for the pioneering work done by him. Besides these, he has also been decorated with prestigious Civilian Awards from many countries, which include, the prestigious Gusi Peace Prize International and the highest Civilian Award from Bahrain.

Kalinga Institute of Social Sciences (KISS), Bhubaneswar, is a fully free and fully residential tribal institute, which has become the largest residential tribal Institute in the world and is home for more than 27,000 tribal children. Both KIIT and KISS found place in the Limca Book of Records and also at Guinness World Records on many counts.

Professor Achyuta Samanta today, is a legend, an iconic educationist, an emblem of service to humanity, a beacon of light for social transformation, and a redeemer of the fallen, the oppressed and the marginalized. With huge contribution in the field of education, health, art, culture, literature, rural development, social service and spiritualism, his journey in life is not only awe-inspiring, but soul-awakening for millions of poverty-stricken youths all over the world. He has converted the remote village Kalarabank, Cuttack into a Smart Village and the entire Manpur Panchayat into a model Panchayat.

He has already started working to establish 30 branches of KISS in different districts of Odisha, besides establishing KISS-Delhi for the under privileged sections of the society. Besides providing direct employment to 10,000 people in KIIT and KISS, he has created over 1,00,000 indirect employment and more than 100 successful entrepreneurs across the country. His mission of life is to give happiness and smiling face to poor millions.

As a token of recognition of his outstanding contribution in the field of service to society and development of the tribal poor of India, Dr. D. Y. Patil Vidyapeeth, Pune is proud to confer the Degree of **Doctor of Science** (Honoris Causa) on **Professor Achyuta Samanta** on this day, the 29th March, 2018.

Speech of Acceptance by Prof. Achyuta Samanta

Founder, Kalinga Institute of Industrial Technology (KIIT) &
Kalinga Institute of Social Sciences (KISS), Bhubaneswar, Odisha

Good evening everybody present here, your Excellency Hon'ble Vice President of India, respected Shri M Venkaiah Naidu Ji, , Guardian Minister, Pune ,Hon'ble Shri. Girish Bapat Ji, Hon'ble Padmashri Dr. D. Y Patil Ji former Governor of Bihar, Hon'ble Chancellor, Dr. P. D Patil Ji and our Hon'ble Vice Chancellor, Dr. P.N Razdan Ji , Chairman, Pudhari Publications Pvt Ltd, Dr. Pratapsinh G Jadhav Ji, respected Adv. Prof. Vishnu R. Parnerkar, President, Guru Seva Mandal distinguished guest, on the dais and off the dais, respected Dean, Directors, Board members, research scholars particularly graduating students and invitees.

It is indeed a great honour bestowed upon me by this great institution of learning, Dr. D.Y Patil Vidyapeeth, Pune. With all the humility, I accept this honour! I am really grateful to Dr. D.Y Patil Vidyapeeth and its Hon'ble Chancellor Dr. P.D Patil Ji and Vice chancellor Dr. P. N. Razdan Ji for recognising my work that I have been doing relentlessly for the last 26 years. This Honour bestowed upon me assumes greater significance as I am being awarded this honorary award from the hands of none other than His Excellency Shri M Venkaiah Naidu Ji who himself is the brightest example of success despite coming from poverty stricken background. Getting his blessings is in itself an award for me and Sir I feel blessed! I accept this with humility!

I recollect that time when I had dinner with Hon'ble Dr. D.Y Patil at his residence when he was the Governor of Tripura. I am grateful to you Sir!

I Thank you all for giving me this opportunity to stand before you and accept this great honour. Thank you very much!

D'PU

Dr.

D. Y.

Convocation Address by Shri M. Venkaiah Naidu

Honourable Vice President of India

"I am delighted to be here at the 9th Convocation of Dr. D. Y. Patil Vidyapeeth, Pune, which was granted the deemed university status by the Ministry of HRD in 2003. I am also happy to note the commendable journey made by your Vidyapeeth in a short span of time.

Convocation is an important and memorable milestone in the lives of the students, who are passing out today. At the same time, it also re-affirms the invaluable role played by the institution and its teachers in imparting knowledge and shaping the outlook and personality of every student. Convocation also symbolizes the importance of continuity and the duty of each generation in transmitting knowledge, wisdom and cultural values to the next ones.

I am told Vidyapeeth offers graduate, post graduate, super-specialty and also Doctoral programs in various disciplines of health care. As many as 1056 students are getting their degrees in this convocation. I am glad to know that 19 students are getting gold medals and 12 others are being awarded Ph.D degrees. I extend my heartiest congratulations to outgoing students for their achievements and my sincere appreciation to parents for nurturing the talents of their children.

Recognizing contribution made by eminent personalities in various fields is part of Indian culture and I am happy that Vidyapeeth is honouring three such personalities by conferring on them the degree of Doctor of Letters (Honoris Causa) and Doctor of Science (Honoris Causa). The contribution of these great personalities needs special mention and appreciation. I congratulate Dr. Achyuta Samanta for the Doctor of Science (Honoris Causa) conferred on him for his contribution in the field of education and social transformation of tribal children in the country. I congratulate Dr. Pratapsinh Jadhav for the Doctor of Letters (Honoris Causa) conferred on him for

his contribution as a social reformer and progressive agriculturist.

I also congratulate Vishnu R. Parnerkar for the Doctor of Letters (Honoris Causa) conferred on him for his contribution in establishing social, economical and spiritual organizations and spreading the life management philosophy called Poornawad.

I am glad to know that Vidyapeeth with its motto to uplift the society is focusing on imparting education in various disciplines such as Allopathy, Homeopathy, and Ayurveda besides Dentistry, Nursing, Physiotherapy, Optometry, Visual Sciences, Biotechnology, Bioinformatics and Management.

Dear Sisters and Brothers, higher education has a unique role in preparing torchbearers of tomorrow in different fields from medicine to management. Irrespective of whether the students choose to become teachers, administrators, businessmen or social scientists, it is essential for higher educational institutions to mould the next generation by inculcating the core values of patriotism, honesty, responsibility, discipline, compassion, respect for women and pluralism.

I am sure, the teaching and research projects taken up by Dr. D. Y. Patil Vidyapeeth are fully in tune with the requirements of the 21st century knowledge society. Today, the digital revolution is sweeping the world and technology is completely changing every facet our life. We not only have to keep pace with various advancements, but we also need to visualize future requirements and reorient our curricula accordingly.

Dear students, please remember that there is nothing like a full stop to learning. It is a continuous process and graduation is just a chapter in the book of your life's

journey. Keep adding more chapters as you continue in this voyage of knowledge, self-discovery and self-realisation.

Do not be content with what you have achieved in terms of knowledge and skills or securing employment. Education does not end with earning a degree, it is the sum total of knowledge, skills, attitude and behaviour and aims at holistic development of a person. The world of learning and acquiring knowledge has no boundaries. An essential feature of medical profession is to keep updated constantly through training programmes.

I understand that many students after graduating from the Vidyapeeth might prefer to pursue further studies in Institutes of Higher Education, either in India or abroad. There is nothing wrong in furthering your career prospects. But my advice to anybody who ventures to go abroad is to return and serve the motherland. Go, learn, earn and return must be the credo. Never neglect or forget your mother tongue, place of birth and the motherland. Also never succumb to pressures or temptations that will make you tread on the wrong paths. Strong character, discipline, hard work, unwavering commitment and passion to the goals set by you must always be your guiding principles. Every person will have some strengths and weaknesses. One must always try to overcome the weaknesses no matter how difficult the path is to attain success.

Innovation is the key to success in today's world. Don't ape your predecessors or peers blindly. Think creatively to find solutions to the problems faced by the society. It is also important for you to dream big to make a mark and achieve success. Albert Einstein had once said: "I'm enough of an artist to draw freely on my imagination, which I think is more important than knowledge. Knowledge is limited. Imagination encircles the world."

Dear sisters and brothers, this institution is called a "Vidyapeeth". This word that is commonly used by many

to refer to a University has a lot of meaningful suggestive connotation that goes to the root of Indian conception of education. We should try and understand how the ancient Indian thinkers have encapsulated a lot of concepts in simple terminology.

"Vidya" denotes "to discover and know what it is". "Peeth" means a "centre" or a "pedestal". So, a Vidyapeeth is a centre where the discovery of new facts and unravelling of new knowledge goes on. Because it is a "peeth", it is a sustainable foundation for further learning. In the Indian world view, we are all lifelong learners. Please note that the Vidya emphasizes the spirit of "discovery", and "innovation" so crucial for our present and future growth as a learning society.

Many successful individuals in the world have followed this approach and became famous. This is not an easy path. There will be obstacles and failures, what matters is your ability to stay focused, trying to discover new realities and to pursue your dreams undeterred by failures and obstacles.

I would like to highlight the critical importance of language learning in our education system. Language is a tool for transmission of culture. It is a reflection of our ideas and values, our thoughts and emotions. It is truly the life blood of a civilization.

We live in a globalized, multi-lingual world where language is not only a means of communication but it is a window to the treasure house of literature, music and fine arts. It is the invisible thread of our cultural fabric of all these languages. Our Mother tongue, the language of home, is the root of the huge tree of life. We must ensure that this foundation is strengthened. We must all learn our mother tongue well. We must constantly nourish it by speaking, writing and producing literature in the language and use it in schools, colleges and universities.

We in India have a rich heritage of literature in so many

Indian languages. We must preserve this and enrich it further. We must remember that language is a living tool. You must use it or you lose it. If we lose a language we lose an important part of cultural identity.

Mahatma Gandhi Ji had once said:

"We, the English educated Indians, often unconsciously make assumption that the microscopic minority of English speaking Indians are the whole of India."

For him, governing the people and running day to day administration has to be in Indian languages, the languages spoken and understood by the people. In fact democracy and Surajya can be strengthened only if institutions of governance like courts and offices use local languages.

I would like to underscore that all the states should consider using local languages extensively in the day to day work. It could also make it an integral part of school curriculum and an essential qualification for employment at appropriate levels in administration.

I am keen that each Indian should be proficient in her or his mother tongue. At the same time, we should learn as many other languages as we can and need. We should

broaden our horizons, strengthen our bonds with our heritage through classical languages like Sanskrit and acquire knowledge in other world languages. But our feet must be firmly on the ground, our proficiency must be strong in our native mother tongue. Mother tongue is veritably our eyes. Rest of the languages are useful additions like eye glasses.

Finally, I call upon all of you to imbibe the core values of our culture, traditions, heritage and history. We have the tradition of respecting and living with nature. Respect nature and promote culture for a better future.

Be proud of your parents, teachers and the institutions which shaped your personalities and careers. Always remember that whatever you do and wherever you are – you shall always be an Indian and an alumnus of the Dr. D. Y. Patil Vidyapeeth, Pune.

Dear parents, you must be feeling proud of your children today. They have acquired the wings to fly and sky is the limit for them. My best wishes to all of you for wonderful and rewarding careers ahead!

JAI HIND!"

Post Graduate Medical Diploma

Sr. No.	Name of the Student	Subject
1.	Bhalani Sagarkumar Mansukhlal	(Child Health)
2.	Jobanputra Kunj Rajesh	(Child Health)
3.	Pagdar Sandip Govindbhai	(Child Health)
4.	Anuj Chopra	(Dermatology, Venereology, & Leprosy)
5.	Ubale Tejal Balasheb	(Dermatology, Venereology, & Leprosy)
6.	Shivang Aggarwal	(Psychological Medicine)
7.	Patel Harshit Yogeshkumar	(Tuberculosis & Chest Diseases)
8.	Janmejy Kiran Dalal	(Orthopaedics)
9.	Anil Kumar	(Orthopaedics)
10.	Naik Richa Bhadreshbhai	(Ophthalmology)
11.	Sakarkar Praneeta Trilok	(Ophthalmology)
12.	Muneeb M.	(Oto-Rhino-Laryngology)
13.	Kalghatgi Pallavi Kishore	(Obstetrics & Gynaecology)
14.	Supriya Singh	(Obstetrics & Gynaecology)
15.	Misal Manoj Zingraji	(Anaesthesiology)
16.	Amonkar Jateen Anil	(Anaesthesiology)
17.	Shantanu Singh Tomar	(Medical Radio-Diagnosis)
18.	Shubham Singhal	(Medical Radio-Diagnosis)
19.	Mugdha Sharma	(Obstetrics & Gynaecology)
20.	Khatimiti Ayesha Khanam Mohd. Siddique	(Clinical Pathology)

Master of Clinical Optometry (M.Optom.)

Sr. No.	Name of the Student
01.	Uday Suresh Bajare

Faculty of Dentistry

Master of Dental Surgery (MDS)

Sr. No.	Name of the Student	Subject
1.	Bumb Siddhant Sunil	(Prosthodontics and Crown & Bridge)
2.	Burute Mrunal Rajendra	(Prosthodontics and Crown & Bridge)
3.	Chandele Aditya Ajitsingh	(Prosthodontics and Crown & Bridge)
4.	Kaluskar Madhura Vikram	(Prosthodontics and Crown & Bridge)
5.	Nagane Pritam Vinayak	(Prosthodontics and Crown & Bridge)
6.	Patil Ruthika Shivajirao	(Prosthodontics and Crown & Bridge)
7.	Amit Daityari	(Periodontology)
8.	Deshpande Abhijit Chandrakant	(Periodontology)
9.	Dharmadhikari Soniya Ajit	(Periodontology)
10.	Meenakshi Abhijeet Gholkar	(Periodontology)
11.	Poonam P Dholakia	(Periodontology)
12.	Bangar Suraj Chandrakant	(Oral & Maxillofacial Surgery)
13.	Bongulwar Ravindra Suryakant	(Oral & Maxillofacial Surgery)
14.	Khairnar Sanyukta Sunil	(Oral & Maxillofacial Surgery)
15.	Mohile Shreyas Sanjay	(Oral & Maxillofacial Surgery)
16.	Pahadwala Aziz Husenibhai	(Oral & Maxillofacial Surgery)
17.	Sarve Pallavi Haridas	(Oral & Maxillofacial Surgery)

18.	Shaliki Wadhera	(Oral & Maxillofacial Surgery)
19.	Swati R. Bharadwaj	(Oral & Maxillofacial Surgery)
20.	Chawla Monika Purshottam	(Conservative Dentistry & Endodontics)
21.	Galankar Kunal Sunil	(Conservative Dentistry & Endodontics)
22.	Hariyani Nitin Kishorbhai	(Conservative Dentistry & Endodontics)
23.	Jagdale Saket Sambhajirao	(Conservative Dentistry & Endodontics)
24.	Kosha Jain	(Conservative Dentistry & Endodontics)
25.	Kunjir Kunal Shankar	(Conservative Dentistry & Endodontics)
26.	Shah Shruti Jayaprakash	(Conservative Dentistry & Endodontics)
27.	Sonal Satpal Singh	(Conservative Dentistry & Endodontics)
28.	Burhan Showkat	(Orthodontics & Dentofacial Orthopedics)
29.	Rathod Nirali Mohansinh	(Orthodontics & Dentofacial Orthopedics)
30.	Raurale Shalaka Nana	(Orthodontics & Dentofacial Orthopedics)
31.	Sheetal Kamble	(Orthodontics & Dentofacial Orthopedics)
32.	Wani Kedar Manohar	(Orthodontics & Dentofacial Orthopedics)
33.	Choudhary Shakira Shabbir	(Oral Pathology & Microbiology)
34.	Deshmukh Revati Vasant	(Oral Pathology & Microbiology)
35.	Jaiswal Pooja Mahendra	(Oral Pathology & Microbiology)
36.	Singh Pallavi Chandrakumar	(Oral Pathology & Microbiology)
37.	Saner Shraddha Rajendra	(Oral Pathology & Microbiology)
38.	Dargad Priti Govind	(Public Health Dentistry)
39.	Nair Shruti Premshanker	(Public Health Dentistry)
40.	Agarwal Samiksha Arun	(Paedodontics & Preventive Dentistry)
41.	Gaurang Vijay Tamhankar	(Paedodontics & Preventive Dentistry)
42.	Gupta Shruti Laxminarayan	(Paedodontics & Preventive Dentistry)
43.	Karekar Priyanka Vijay	(Paedodontics & Preventive Dentistry)
44.	Patil Dipti Sunil	(Paedodontics & Preventive Dentistry)
45.	Shep Snehal Vasantryao	(Paedodontics & Preventive Dentistry)
46.	Kaisar Snehi Sunil	(Oral Medicine & Radiology)
47.	Paraye Swati Soham	(Oral Medicine & Radiology)
48.	Raut Vaibhavi Prakash	(Oral Medicine & Radiology)
49.	Sasane Manjusha Marutirao	(Oral Medicine & Radiology)

Faculty of Nursing

Master of Science in Nursing (M.Sc. Nursing)

Sr. No.	Name of the Student	Subject
1.	Ansey Varghese	(Child Health Nursing)
2.	Bhalerao Heera Prabhakar	(Child Health Nursing)
3.	Bhatlawande Dipak Madhukar	(Community Health Nursing)
4.	Chakranarayan Rahul Raosaheb	(Community Health Nursing)
5.	Godase Chhaya Madhav	(Child Health Nursing)
6.	Jadhav Neelija Sush	(Obstetrics & Gynaecology Nursing)
7.	Jhanvi Hanumant Hinge	(Obstetrics & Gynaecology Nursing)
8.	Mujawar Akbar Rahimtulla	(Community Health Nursing)
9.	Praneet Prakash Mali	(Medical Surgical Nursing)
10.	Puja Saha	(Medical Surgical Nursing)
11.	Sangeeta Gulab Ghuge	(Obstetrics & Gynaecology Nursing)
12.	Shaikh Neelofar Ifthekar	(Child Health Nursing)
13.	Shinde Abhishek Vinod	(Community Health Nursing)
14.	Shobha Vishnu Dhole	(Obstetrics & Gynaecology Nursing)
15.	Thite Sunita Dhananjay	(Medical Surgical Nursing)

Faculty of Allied Medical Sciences

Master of Physiotherapy (MPT)

Sr. No.	Name of the Student	Subject
1.	Banpel Janaki Ravindra	(Musculo-Skeletal Science & Hand Conditions)
2.	Baptist Joanna Ronnie	(General & Community based Rehabilitation)
3.	Bhatia Dolly Shankar	(Orthopaedics)
4.	Bhide Devika Ravindra	(Neurosciences)
5.	Dabshede Ankita Anilkumar	(Cardio Respiratory Sciences)
6.	Dave Nilam Damodar	(Orthopaedics)
7.	Deshpande Amruta Anil	(Orthopaedics)
8.	Dhanani Monika Nandlal	(Musculo-Skeletal Science & Hand Conditions)
9.	Dhuke Priyanka Sanjay	(Cardio Respiratory Sciences)
10.	Ghare Shuaa Dastagir	(Musculo-Skeletal Science & Sports)
11.	Golani Nikita Kishor	(Cardio Respiratory Sciences)
12.	Gurudatta Jasneet Kaur Rajwant Singh	(Paediatrics)
13.	Jadhav Rhucha Jayant	(Orthopaedics)
14.	Jawale Namita Chandrakant	(Neurosciences)
15.	Jharna Mantri	(Musculo-Skeletal Science & Manual Therapy)
16.	Joshi Trupti Ulhas	(Neurosciences)
17.	Kakade Priti Pradip	(Musculo-Skeletal Science & Manual Therapy)
18.	Mahajan Tanuja Hemant	(Neurosciences)
19.	Mayur Subhash Kakade	(Cardio Respiratory Sciences)
20.	Mehta Shefali Dinesh	(Musculo-Skeletal Science & Manual Therapy)
21.	Oza Pooja Arjunkumar	(General & Community based Rehabilitation)
22.	Padia Khayathi Harshadrai	(General & Community based Rehabilitation)
23.	Pallavi Ganesh Harkal	(General & Community based Rehabilitation)
24.	Pardeshi Tejal Umashankar	(General & Community based Rehabilitation)
25.	Pathare Vanita Asaram	(Paediatrics)
26.	Podila Lakshmi Pavani	(Musculo-Skeletal Science & Sports)
27.	Saifee Shah Faisal Abdul Gaffar	(Cardio Respiratory Sciences)
28.	Sangani Neha Yogesh	(Orthopaedics)
29.	Shaikh Fatima Anwar	(General & Community based Rehabilitation)
30.	Tigdi Shamika Ratnakant	(Musculo-Skeletal Science & Hand Conditions)
31.	Vashi Payal Nilan	(Musculo-Skeletal Science & Sports)
32.	Yadav Sejal Gokulbhai	(Cardio Respiratory Sciences)
33.	Arora Pawan Suraj Prakash	(Neurosciences)
34.	Firoz Shaikh	(Orthopaedics)

Faculty of Biotechnology & Bioinformatics

M.Tech. (Integrated) Biotechnology

Sr. No.	Name of the Student
1.	Aishwarya Sridhar
2.	Akansha Patel
3.	Arbat Akshata Anil
4.	Bachhav Digvijay Sanjay
5.	Badekar Karishma Kishor
6.	Bandewar Surabhi Suresh
7.	Bhagwat Neha Vikas
8.	Chikate Tanmayee Rajeev
9.	Katyare Rasika Sunil
10.	Kreema James
11.	Kulkarni Sushrut Sanjay
12.	Mahale Aishwarya Rajkumar
13.	Patil Ashwini Arun
14.	Patil Sambhaji Shivaji
15.	Pote Sanjana Sanjay

16. Raskar Shweta Suresh
17. Shingwekar Bhagyesh Ghanshyam
18. Singh Akshay Jaiprakash
19. Vedant S Borghate
20. Wagh Chanchal Rohidas
21. Warjurkar Tanuj Sanjay
22. Mihir Khapli

M.Sc. Biotechnology

Sr. No.	Name of the Student
1.	Aayushi Jain
2.	Agrawal Ekta Manoj
3.	Anushka Rana
4.	Chavan Ashwini Kailas
5.	Deshmukh Renuka Sadanand
6.	Deshpande Karishma Prakash
7.	Grishma D. Sonawane
8.	Joshi Ketki Sanjay
9.	Kajari Barman
10.	Mansuri Afrin Salim
11.	Naik Ashish Prakash
12.	Naik Pooja Sudhakar
13.	Nalawade Kanchan Ravindra
14.	Nancy Kwatra
15.	Nikam Bhavesh Vijay
16.	Pansare Karishma Ramesh
17.	Pardeshi Tejaswini Ravindra
18.	Priyanka Keshav Bhure
19.	Reveena K. Remesh
20.	Samiksha Dnyaneshwar Kakde
21.	Sayantani Roychowdhury
22.	Shetty Mithil Madhupal
23.	Shweta
24.	Surabhi Kar
25.	Sweta Kumari
26.	Vibhuti Shinde
27.	Subhashish Sarkar

Faculty of Management

Master of Business Administration (MBA)

Sr. No.	Name of the Student	Subject
1.	Abhishek Bapusaheb Vikhe	(Marketing & Hospital & Health Care Management)
2.	Abhishek Sharma	(Marketing & International Business Management)
3.	Abhishek Uniyal	(Marketing & IT and System Management)
4.	Aboli Pramod Kelkar	(Marketing & Human Resource Management)
