**VICE CHANCELLOR'S REPORT**  
**THIRTEENTH CONVOCATION OF**  
**Dr. D. Y. PATIL VIDYAPEETH, PUNE**  
**(Deemed to be University)**  
**(FRIDAY, 20<sup>th</sup> MAY 2022)**

Most Esteemed Chief Guest for today's Convocation Ceremony, Shri. Rajnath Singhji, Hon'ble Defence Minister (Raksha Mantri), Ministry of Defence, Government of India; Dr. Abhay Firodia, Hon'ble Chairman, Force Motors Limited, Pune; Shri. Prataprao Pawar, Hon'ble Chairman, Sakal Media Group, Pune; Dr. Vedprakash Mishra, Hon'ble Pro Chancellor and Chief Advisor, Datta Meghe Institute of Medical Sciences, (Deemed to be University), Nagpur; Dr. P. D. Patil, Hon'ble Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune; Dr. (Mrs.) Bhagyashree P. Patil, Hon'ble Pro-Chancellor, Dr. D. Y. Patil Vidyapeeth, Pune; Members of the Board of Management and Academic Council; Deans of Faculties, Distinguished Guests; the proud Graduands of the day; Faculty members; Admin Staff of the Vidyapeeth; Students; Parents; Members of Press and Media; Ladies and Gentlemen.

I deem it a great privilege and honor to welcome each one of you on behalf of the Vidyapeeth and on my own behalf to this auspicious and solemn occasion of the 13<sup>th</sup> Convocation of the Dr. D. Y. Patil Vidyapeeth, Pune.

It is a matter of great honour, that Hon'ble Raksha Mantri Shri Rajnath Singh ji, has graciously accepted our invitation to be the Chief Guest on this occasion, in spite of his, other significant commitments and priorities. He is a visionary with great ideas and with an innovative approach, an able administrator who believes in attaining results. In other words, here is a leader who has the ability to make democracy, deliver! He firmly believes that India has potential and spirit and is destined to be the Vishwa Guru - a world leader. He believes that 'Aatmanirbharta' (self-reliance) is road to attain this status. So, when Prime Minister Shri Narendra Modi gave a clarion call for 'Aatma Nirbhar Bharat Abhiyaan' he whole heartedly supported it. Prompting the spirit of 'Make in India' and 'Aatma Nirbhar Bharat' Raksha Mantri Shri Rajnath Singh in August 2020 decided to ban the import of 101 Defence related items and in May 2021 it was decided that another set of 108 military weapons and systems including next-generation

corvettes, airborne early warning systems, tank engines and radars will be entirely made in India. As a Defence Minister, he has undertaken several initiatives to increase women's participation in various departments and field operations. His dream is to see India as a country that provides leadership to the world not only in the economic fields but in all the walks of life. His vision and dedication will surely take our country to the newer heights in all sectors. I am sure that your Convocation Address, will inspire everyone, especially our bright young graduates. We look forward to your guidance and blessings on this auspicious occasion.

At the outset, I wholeheartedly congratulate all the Graduands who have successfully completed their education at this temple of learning and have become eligible to receive the Degrees of the Vidyapeeth on this wonderful day. Today a total of 2191 degrees with 754 undergraduate students, 1416 postgraduate students, 9 diploma students and 12 Ph.D. fellows are being awarded for having completed their studies and passed the examinations during this period. Gold Medals are being bestowed upon 26 candidates who have secured highest marks in their respective disciplines.

We feel greatly honored to inform that Honoris Causa degrees, will be conferred upon Dr. Abhay Firodia, Shri. Prataprao Pawar and Dr. Vedprakash Mishra. DPU has recognized these three icons, for their significant contributions, towards development of vibrant India. The invaluable contributions, of these three eminent personalities have made them worthy of their reputation and in fact they have honored this Vidyapeeth and the society at large by accepting the Honoris Causa degrees today.

Ours is a young but a very vibrant university with “academic culture” that promotes merit, values and academic freedom. As a nation of 1.4 billion, today more than 2/3rds are in the age group of 15-64 years, which will gradually shift to become a much younger India in the next 30 years, creating a very important human resource asset. The challenge, therefore, is to empower this young India to enable them to contribute not only for the development of the national economy but also the entire world. Our courses and programmes have been redesigned to meet the growing needs of specializations, to facilitate mobility between programmes and courses, to update and modernize curricula and to encourage the introduction of reforms in the evaluation procedure. We envisage creating an academic environment of international standards in healthcare education, under the guidance and support of our Hon’ble Chancellor Dr. P. D. Patil. He has been very generous with his time and counsel and we are indeed very grateful to him for his dynamic leadership to our University.

## **Research:**

University can grow successfully only when teaching and research get together symbiotically as they have no independent existence. We have created a conducive environment to undertake collaborative research projects combining teaching-learning and research, to nurture originality, creativity and novelty. I feel proud to state here that this year DPU published more than 1200 papers in International and National journals of repute, which are indexed in Scopus, Pub Med, Web of Science and UGC approved journals. There has been a significant rise in h-index from 51 to 59, indicating translational value and higher citations received by individual publication. Total number of 12,441 citations have been received in the year 2021. The highest impact factor among the publications during the year under report was 79-32 (The Lancet), 53.44 (Nature Medicine), 41.316 (Lancet Oncology). Total number of 16 papers published in more than 10 impact factor journals in 2021. Publishing papers is only one part of research, however, filing patents and writing books, chapters, editing books, forms yet another aspect. I am also

proud to state that this year DPU has filed 19 patents, 8 patents are published, and 3 patents are granted also 43 Copyrights are registered.

Research is impossible without funding. DPU has always been supporting research activities and has provided seed money of more than 91 Lakhs during the year. ## Students' Achievements:

The innovative concept of making learning as a more fun- oriented and interactive activity, boosts up the insight of students as they learn faster and open up to more ideas, making it easier for teachers to identify and distinguish the overall understanding of the subject of the students. I cannot exhaustively list all the laurels earned by you, my dear DPU students, but it is my hope and dream that these are various steps, to bigger achievements that await you in your life. We have implemented innovative concept of making learning more effective and interactive by introducing concepts like experimental, integrated / interdisciplinary, participatory, problem-solving, self-directed, patient centric, evidence based, project-based and role play methods, to the students to enable them to acquire overall understanding of the subject. DPU students have actively participated in the various national / international conferences and presented papers and posters and also participated in inter-collegiate sports competitions as the result of which 104 students have won the prizes since the last convocation.

## Infrastructure:

DPU has always endeavored to deliver quality education in a globally benchmarked learning environment through modern amphitheatre-styled air-conditioned classrooms, hi-tech labs and libraries. Not only has the physical infrastructure been extensively modernized, but the facilities and equipments have also been improved at a faster pace. All constituent units have spacious college buildings, state-of-the-art infrastructure, well-equipped laboratories, well-planned lecture halls with audio-visual facilities, auditoriums and well-designed administrative offices which are over and above in compliance with the norms set by concerned statutory councils.

We have installed **3 Tesla MRI system: MAGNETOM Vida** with biomatrix technology, which is the first installation of its kind in any Asian country and will provide data quality comprehensive image as a robust, standardized reproducible image data of patients. We have also installed **Robotic Surgery System of Da Vinci Xi**, which is the 4<sup>th</sup> generation frontier for the minimally invasive surgeries of the modern century. The College has **Advanced State-of-the-Art IVF and Endoscopy Centre**.

The Institute of Biotechnology and Bioinformatics has added four more levels in the vertical extension of the existing building. The addition of space is mainly to cater to the requirement of advanced labs and the new courses started at the institute.

Physiotherapy OPD was installed with Aquaciser- Hydrotherapy Unit, Lymphostim, Matrix Rhythm Therapy ultra-model equipment's for community benefit & research.

Institute of Optometry & Visual Sciences has recently upgraded to the state-of-the-art infrastructure in Optometry Field. The Institute has 5 specialty Clinics, 2 Contact Lens Clinics, Low Vision Clinic, Pediatric Clinic and Binocular vision clinic. Each Clinic is equipped with latest chair units. Both the Contact Lens Clinics are equipped with contact lens trial set and slit-lamp chair unit. All are latest and cut to edge technology.

College of Ayurved, Hospital & Research Centre has been equipped with a C-arm machine for surgical procedures from September 2021. The Central Clinical Laboratory has been equipped with Portable X-ray Machine, Biochemistry auto-analyzer and Urine sample analyzer.

Recently, Homoeopathic Medical College has established a chick embryo model for research which is the first of its kind amongst all Homoeopathic Medical College in India.

Before I close, I would like my faculty and staff to join me in congratulating all our students, who will be graduating today from DPU. To all those graduating today, I hope you were able to get the most of what DPU had to offer, and that you will use your knowledge and experience fruitfully to serve the people of this country and those elsewhere. Set your goals higher and the glory will belong to you. Success has only one amazing formula, stop thinking in terms of limitations and start thinking in terms of possibilities.

I wish you all the very best in your lives, both professional and personal and as you move forward in your life, do reflect upon the many contributions that your family, your teachers, and your communities have made to your lives. Do remain connected with your Alma Mater and visit us whenever you yearn to revive some of your fine moments. I urge you to remain worthy ambassadors and great Alumni of this distinguished Vidyapeeth by upholding the virtues of honor and excellence in service to the society around you and beyond.

Jai Hind
